Your Value Adjustment Board (VAB) petition may now be filed online from the convenience of your home or your local public library. All you will need is access to the Internet and about 10 minutes of your time. If you don't have access to the Internet, you may visit the Clerk of the VAB Office and file your petition online there; or contact the Clerk of the VAB to request a petition form be mailed to you directly.

GETTING STARTED

Log on to <https://vab.occompt.com/2016/> and click on "...**File a New Petition**".

FILE A NEW PETITION

A taxpayer may file a petition with the Value Adjustment Board for the following reasons:

1. The taxpayer objects to the Property Appraiser's value assessment of the taxpayer's real or personal property.
2. The taxpayer's application for any of the following exemptions or special use classifications is denied:
 - a. homestead exemption
 - b. any other tax exemption as provided by [Chapter 196, Florida Statutes](#) or
 - c. any special use classification as provided by [Chapter 193, Florida Statutes](#).

Read over the "Welcome to the Axia Petition Wizard" page. This information is designed to give a brief overview of how the online petition filing process works and also provides helpful tips, which may assist you in filing your petition. Once you finish reading this information, click on "[I Agree and Wish to Continue.](#)"

FILE YOUR PETITION

You are now ready to file your petition!

Step #1

In order to begin filing, enter the property owner's last name followed by first name. As you begin typing, several other names will appear. Just move your cursor to 'click' on the correct owner. Once you have taken this step, most of the petition is completed for you! Review the information to ensure you have selected the correct property.

You may chose to enter the parcel id number **with the dashes**. As you begin entering the parcel id, property names will pop up directly below. When you see the property owner's name, click on that name.

NOTE: If the property owner's name does not appear, please double check your entry of the parcel id number for accuracy. If it is correct, it could be that the parcel is new and the Property Appraiser has not finalized the data on the parcel. Complete the parcel number and proceed to the next step.
