FINANCING STRUCTURE

The Proposed project will be financed with a combination of the following:

1. Tax-Exempt Bonds issued by OCHFA, in the amount of \$22,000,000. The anticipated bond structure will be private placement.
2. It is anticipated that the proposed structure of the tax-exempt bonds will be private placement with the bonds purchased in part by BankUnited and Fairview Bond Holdings, L.L.C. ("Fairview") (an entity owned/controlled by Mike Sciarrino, the principal of the developer, Atlantic Housing Partners, L.L.P.). BankUnited's participation in the private placement will be limited by its maximum "LTV" requirement and debt service coverage ratios. Fairview will purchase the balance of the bonds.
3. Equity Proceeds from the sale of Federal 4% Tax Credits issued by FHFC.
4. Deferred Developer Fee (if necessary)

PROPOSED FINANCING

The community's proposed financing plan includes tax-exempt financing as well as equity derived from the sale of non-competitive 4% housing credits. It is anticipated that the proposed structure of tax-exempt bonds will be private placement with the bonds purchased in part by BankUnited and Fairview Bond Holdings, L.L.C. ("Fairview")(an entity owned/controlled by Mike Sciarrino, the principal of Atlantic Housing Partners, L.L.L.P.).

BankUnited's participation in the private placement will be limited by its maximum "LTV" requirement and debt service coverage ratios. As such, the balance of the bonds will be purchased by Fairview Bond Holdings, LLC. Please note Mike Sciarrino will not be a principal in the final ownership as either a general or limited partner.

It is anticipated the bonds will have a 35-year term with interest only payments for 36 months followed by payments of principal and interest commencing in the 37th month. Amortization will be based on 42 years at 12%. The BankUnited bonds are expected to have a fixed rate for 10 years and then reset for seven years to a fixed rate equal to the greater of the original rate or 200 basis points (bps) over the 10-year Treasury Rate. The Fairview bonds will have a floating interest rate with payments soft and subject to available cash flow.

Upon approval by the Orange County Housing Finance Authority and other agencies, as may be required, and together with the issuance of the bonds the Applicant will submit the necessary application to Florida Housing Finance Corporation ("FHFC") to receive its "as of right" 4% low-income housing tax credits. As these credits do not count against the FHFC annual credit authority, the FHFC only requires the Applicant to meet its minimum threshold criteria. It is anticipated that Regions Bank (or another experienced purchaser/financial institution) will purchase the 4% Housing Credits.

The Project may also seek other federal, state and/or local funds, which may be available to assist with "gap" financing. If the Project does not receive funding from any of these sources and is still deemed financial feasible, the developer intends to proceed with the Project by deferring its developer fee to the extent necessary to offset any financing shortfall.

(Vista Pines Apartments)

purposes of the Orange County application and the 4% housing tax credits applied for, 100% of the units will be set aside at household incomes of 60%.

In addition to \$22,000,000 net proceeds of the bonds, the sources of funds for this development at construction anticipate the following financing sources: (a) Federal Tax Credit equity in the amount of \$14,268,370, and (b) deferred developer fee in the amount of \$6,015,126. The proposed financing plan anticipates land costs, construction, financing and other development costs currently expected to total approximately \$42,283,496. After conversion to permanent financing and after the receipt of additional Federal Tax Credit equity and additional deferred developer fee, it is anticipated that the Federal Tax Credit equity will increase to \$16,762,090, thus reducing the total deferred developer fee to \$3,521,406.

Proposed Debt Structure

The multifamily mortgage revenue bonds are proposed to be issued in the not-to-exceed amount of \$22,000,000 of senior tax-exempt bonds. Such bonds are anticipated to be interest only for 36 months with principal and interest beginning in the 37th month, then amortize on a forty-two (42) year schedule with a thirty-five (35) year term. Such bonds will be secured by a first mortgage loan with term to match the bonds. The bonds will be privately placed, and are not expected to be rated by any rating agency. The bonds are expected to bear a fixed rate of interest for 10 years and then reset for 7 years to a fixed rate based on a formula set at closing. The bonds will meet all of the underwriting requirements of the Orange County Housing Finance Authority for such unrated and privately placed bonds.

Method of Bond Sale

The senior bonds are anticipated to be privately purchased by BankUnited as well as Fairview Bond Holdings, L.L.C., an entity controlled by Mike Sciarrino, the principal of Atlanta Housing Partners, L.L.L.P. As a principal of the entity for which the bonds in part will be privately placed, Mike Sciarrino will not have an ownership interest in Vista Pines Partners, Ltd. The Applicant has designated Raymond James & Associates as structuring agent subject to the approval of Orange County Housing Finance Authority.

The bonds are anticipated to be issued as fully registered bonds, in the minimum denomination of \$100,000. The bonds will bear a legend restricting subsequent transfers to investors who make certain written representations that they are a sophisticated investor (a "qualified institutional buyer" or "accredited investor"), and other representations indicating their understanding of the business matters and information necessary to make an informed decision to invest in the bonds.

Equity

The tax credits are anticipated to be purchased by Regions Bank (or another experienced purchaser of tax credits) in return for a 99.995% limited partnership interest in the property.

(Vista Pines Apartments)

Credit Underwriting

Pursuant to Orange County Housing Finance Authority's policy, the proposed financing will be subject to credit underwriting by a third party firm qualified in affordable housing real estate underwriting and loan servicing. A credit underwriting report acceptable to the Orange County Housing Finance Authority will be required prior to authorizing the issuance of the bonds.

Investment of Proceeds

To the extent bond proceeds will be available to be drawn down during construction, the Orange County Housing Finance Authority will require such proceeds be invested pursuant to its investment policy. If applicable, CSG Advisors will oversee competitive bidding of any investment agreements.
