WHEREAS, such development is to be financed through the issuance of bonds by the Authority; and

WHEREAS, the Authority has presented an issue in the amount of \$5,400,000.00 to be presented to the Board of County Commissioners of Orange County for approval;

THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY.

The issuance of Mortgage Revenue Bonds by the Authority in the amount of \$5,400,000.00 is hereby approved. The proceeds of these bonds are to be used for the purpose of financing a qualifying housing development known as Cele-Bris Apartments to be constructed by ADG & Associates, Inc. at the following location: Celery & Brisson Avenues and known as Cele-Bris Apartments in Seminole County, Florida.

The financing of the qualifying housing development shall, however, be conditioned upon the following:

(a) The plan of financing for the development shall include a rent schedule to be approved by the Authority.

(b) The plan of financing shall include rent restriction provisions on 20%/40% (150 units) of the units set aside for low income persons and families pursuant to Section 103(b)(4)(A) of the Internal Revenue Code. Rent increases on said 150 units shall not exceed 100% of the Consumer Price Index for a period of five (5) years from initial occupancy.

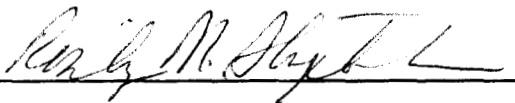

(c) If the ownership of the Project is transferred prior to initial occupancy of the Project, then a portion of any profit received by the Developer as a result of the transfer (the exact amount to be determined by the Authority upon being advised of the intention to transfer the Project) shall be deposited with the Authority to be used by the Authority to serve public housing needs.

(d) The Developer shall not discriminate in the use, occupancy or rental of the units against persons of families with children.

(e) Any non-revenue units for Developer's use, such as models and manager apartments, must be financed at Developer's expense from other than Bond proceeds.

The Board of County Commissioners of Orange County hereby finds that such housing development will help alleviate the shortage of rental housing in Seminole County and the issuance of the aforescribed Bonds is approved.

This Resolution to take effect immediately upon adoption.
