RESOLUTION NO. 91-M-43

A RESOLUTION PERTAINING TO SURCHARGES ON  
ELECTRICITY FOR CITY OF ST. CLOUD  
CUSTOMERS LOCATED WITHIN THE  
UNINCORPORATED AREA OF ORANGE COUNTY.

**PREMISES**

1. On August 6, 1991, the Board of County Commissioners of Orange County, (the "Board"), adopted an ordinance levying a public service tax upon the purchase of electricity at a rate of 10% of the payments received by the seller from the purchaser for the purchase of the service.

2. The City of St. Cloud ("City"), has been levying a surcharge of 6% on the purchase of electricity by its customers located in Orange County but outside the city limits of St. Cloud to equalize the rates paid by its customers.

3. The Board desires to have the surcharge on electrical service removed by the City to the extent that the surcharge cannot be attributed to the extra cost incurred to provide service to those customers as supported by a "cost of service study."

ACCORDINGLY, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY.

Section 1. The Board of County Commissioners of Orange County respectfully requests the City of St. Cloud to remove the surcharge of 6% from the purchase of electricity by its customers located within the unincorporated area of Orange County.

Section 2. This resolution shall take effect immediately upon adoption.
