1.0 Services to be provided

(a) Company and Agency hereby agree that in accordance with the terms and conditions set forth herein, Company will install and display advertising content which may be in the form of 3-dimensional items, digital format, or in the form of advertising posters (the "Display" or "Display Material"), to be provided by Agency as set forth herein for the term (as specified by the number of weeks and the Posting Date specified herein (the "Term"), which Term shall commence on the Posting Date set forth on page one (1). The location of the Display may be modified at any time by Company and Agency shall be notified, as promptly as practicable, of any such modifications.

(b) Company shall retain exclusive control and supervision over the installation, maintenance and removal of Display and over the structures and locations on which it is displayed.

2.0 Relationship of Parties

(a) If this Contract is between the Company and an advertising agency or media buying service, all references herein to "Agency" shall mean the advertising agency or media buying service, as applicable. If this Contract is between the Company and the entity for whom the Display is being created, installed, and exhibited (the "Client" or "Advertiser"), all references to "Agency" herein shall be deemed to read as "Client" or "Advertiser" and any terms or conditions referencing Agency acting as agent for a disclosed principal are deemed deleted because parties hereby acknowledge that a Client, as principal, is acting on its own behalf, without an agent and is contracting directly with Company. Agency may act as agent for a disclosed principal, (the Advertiser included), for so long as Agency is not insolvent or delinquent in its payments to Company to make payment on all billings hereunder. By signing this Contract, an Agency acting as agent, represents it has the authority to bind the Client to this Contract.

(b) Agency and Advertiser will be jointly and severally liable for the payment of sums due hereunder, however, Company will not seek payment from Advertiser, unless and until Agency becomes insolvent or delinquent in its payments to Company, at which time, without relieving Agency of liability, Company will then look to Advertiser, but only to the extent that Advertiser has not theretofore made payment to Agency thereon. Notwithstanding any payments made by Advertiser to Agency, Company will look to Advertiser even if that Advertiser has theretofore made payment to Agency thereon. (i) while knowing that Agency had entered into an agreement or arrangement purporting to assign or pledge to a third party monies which may be or become payable by Advertiser to Agency, or that Agency was in danger of becoming insolvent; or (ii) after receiving notice (together with a current statement of account) from Company that Agency is delinquent under this or any other charge(s) under Company and Agency.

(c) Nothing herein contained relating to the payment of billings by Agency will be construed so as to relieve Advertiser of, or diminish Advertiser's liability for, breach of its obligations hereunder.

3.0 Terms of Payment

3.1 Company will bill Agency in advance of posting at the address set forth on page one (1) for the total of the Net Fees plus any Special Charges. Agency will pay Company thereon, at the address on bill, within thirty (30) days after date of invoice. If Agency or Advertiser fails to pay any invoice when due, in addition to amounts payable thereunder, Company will be promptly reimbursed its collection costs, including reasonable attorneys' fees, plus a monthly service charge at the rate of one and one-third (1 1/3%) percent per month of the outstanding balance of the invoice, or if less, to the maximum extent permitted by applicable law. In addition to late payment charges, at any time after default by Advertiser, the Company shall have the right at its sole option to either (i) accelerate and cause to be immediately due and payable all payments to be made which have not yet been made under this Contract; or (ii) cancel this Contract and to require immediate payment of the balance due, including the addition of the applicable short term rate, and to remove Advertiser's displays (without prejudice to any other rights the Company may have). Advertiser agrees to pay promptly the amount the Company determines to be due pursuant to this paragraph and to reimburse the Company for the reasonable expense it incurs in the collection of said amount, including but not limited to reasonable attorneys' fees and disbursements.

3.2 Client may audit any amounts paid under this Contract for one (1) year after the date of the last payment.

4.0 Rates

(a) Quoted rates are computed on the basis of twenty-eight (28) days to each period. Advertiser shall pay all applicable sales, use, and related taxes.

(b) Unless otherwise set forth on page one (1) of this Contract (i) all rates are for use of space only, and do not include cost of designing, producing, delivering, installing, or erecting Display Material (when applicable); and (ii) service charges will be made for all changes in Display Material after the initial placement required under this Contract and Advertiser agrees to pay all expenses in connection with initial installation and removal as specified on Company's specification sheets, as well as subsequent changes of Display Material required under all contracts.

(c) The cost of standard electrical illumination for illuminated displays is included in the space rate as are regular cleaning of all display fixtures and maintenance of standard illumination. All advertising display fixtures will be

supplied by the Company. For unspecified sites, rates quoted are for non-selected positions and subject to rotation shifts.

5.0 Posters

5.1 Delivery

(a) As provided below, Agency will deliver to Company acceptable posters in sufficient quantity for proper display at no expense to the Company.

(b) The Advertiser shall supply coverage of posters as specified on Company's specification sheets. (Coverage is not required for exhibit space and non-lit displays).

(c) Advertiser agrees to prepare and deliver sufficient Display Material (including coverage) to designated service points, at Advertiser's expense, at least ten (10) calendar days prior to the Posting Date of this Contract or date for copy change. If Display Material is not received by the required date, or if Display Material does not conform to specifications, or if Advertiser delivers insufficient amount of Advertiser's material, the Company is hereby authorized, as its sole option and its sole discretion, to leave vacant or to post Display Material one (1) week after receipt, or soon thereafter as appropriate display space becomes available, subject to Section 5.2 below.

(d) Advertiser, at Advertiser's expense, shall supply replacements for any damaged or defaced Display Material. The Company is hereby authorized, without notice or liability, to remove and leave vacant or use substitute copy for any Display Material which may be defaced, damaged, or otherwise become deteriorated and for which Advertiser has failed to provide replacements. It is hereby agreed that non-use of space arising from Advertiser's failure to provide such replacement will not relieve Advertiser from obligation to pay for such space.

(e) Proof of Performance will be provided as described in the Outdoor Advertising Association of America, Inc. guidelines.

(f) Advertiser shall carry its own insurance relating to its Displays. The Company shall not be responsible for loss or damage in transit, nor during the period of exhibition, nor for the return at the termination of this Contract of Advertiser's Displays.

5.2 Shipping and handling fee for late delivery of posters

Posters for display in city street furniture or mall properties arriving after 5:00 pm on the Wednesday prior to Posting Date are subject to a fifteen (\$15) dollar net per poster additional charge in order to make the scheduled Posting Date. Posting of Displays may be delayed by one (1) week if Agency does not accept the fifteen (\$15) dollar net per poster additional charge and subject to the requirements of Section 5.0.

5.3 Production

Posters must conform to Company's specification sheets as provided to the Advertiser or Agency, as applicable.

5.4 All removal of copy shall occur after the end of the business day of the last day of a given campaign.

6.0 General

6.1 Termination and Loss of Service

(a) Any delay or failure by Company to perform hereunder as the result of force majeure, labor dispute, law, governmental action or order, or similar causes beyond Company's reasonable control, will not constitute a breach of contract, but Agency will be notified as promptly as practicable and the Company, at its sole discretion, shall have the option of terminating this Contract or providing, pro rata, (i) equivalent extension of the Term; or (ii) additional placement. In the event of a failure to provide available illumination on at least ninety (90%) percent of the display fixtures, Agency will receive an extension of display or a fifteen (15%) percent discount for each non illuminated display fixture, at Company's election.

(b) Company will ensure that digital displays for this Contract shall be available, active, and operable for no less than ninety percent (90%) of the display time within any billing period. Company shall not be obligated to provide and credits or other discounts to Agency if Display Material is displayed for such ninety percent (90%) or more.

(d) Company may, upon notice to Agency, terminate this Contract at any time upon material breach by Agency or Advertiser.

(e) Company reserves the right to use the Display for its own marketing presentations.

(f) Company shall have sole authority over the manner in which the Displays are placed, maintained, or removed, except as specified in this Contract.

6.2 Special Charges

(c) If, for any cause (other than the act of default of the Advertiser), any of the Display Material is not posted or exhibited after such Display Material has been accepted by the Company as approved for display under Section 6.4 "Suitability of Material" below, the Company will make a full proportionate allowance for the time of non-display or non-exhibition for such non-exhibited advertising at the end of the contracted term, and the Advertiser shall not have any further or other claim against the Company or entity having authority and control over the location where the advertising shall be displayed (the "Authority").

(d) If, for any cause beyond its control, the Company shall cease to have the right to continue the advertising covered by this Contract, the Company shall have the right to terminate the Contract and discontinue the service without notice.

If so rejected, Agency will remain obligated to pay for the service for which the rejected material was submitted in accordance with this Contract and this Contract will remain in full force and effect; provided, however, that Company shall provide Advertiser the opportunity to submit revised copy for approval and Company and Advertiser shall negotiate a revised display schedule for advertising materials, art, or copy once such rejected material is revised, resubmitted and approved.

(b) Advertiser, Agency, and the Company hereby acknowledge and agree that the Authority may deny approval for placement of any advertising content which, in Authority's sole discretion, may be inappropriate for display in a setting used by the general public of all ages. Under no circumstances shall any advertising copy embody controversial, social, moral, or ethical issues. Any challenge to this right would be a breach of this Contract.

(c) Creative images must be submitted allowing for a minimum of a fifteen (15) calendar day review and approval period by the Company and pursuant to the relevant Concession Agreement (if applicable). (Exhibit space and non-lit displays may require longer approval periods and the Company shall not be held liable for any time lapses regarding approvals).
