SUBJECT: June 10, 2014 Work Session
Convention Plaza District Updates

At the June 10, 2014 Board of County Commissioners meeting, staff will present a work session regarding the International Drive Convention Plaza District including its history, development standards, and potential expansion. Staff will also discuss key land use considerations including urban infill challenges, parking strategies, and branding opportunities, and how these issues can be addressed in a comprehensive visioning process that engages International Drive area stakeholders.

The Board had also requested a presentation regarding the transportation projects and initiatives that are currently underway within the International Drive area. This presentation will be scheduled at a later date.

This work session is for information purposes only and no action is requested.
