SUBJECT: Corrections Strategic Update
BCC Discussion Item – June 10, 2014

At the December 17, 2013 Board meeting, the Board received the final reports from two comprehensive assessments of the Community Corrections Division. Since that time, the Corrections Department has been working with Dr. Gary Christensen, President, Corrections Partners, Inc., to develop and implement the recommendations.

On June 10, Chief Cornita Riley and Dr. Christensen will give the Board an update on the implementation efforts underway.

This is an information item only and no action is required.
