SUBJECT: June 10, 2014—Work Session Item  
Osceola Parkway Extension

Florida's Turnpike Enterprise and the Osceola County Expressway Authority are in the process of studying the extension of the Osceola Parkway in Orange and Osceola Counties. The study team for the proposed extension conducted public information meetings in both Orange and Osceola Counties. The development of this project is at a stage where the Board of County Commissioners can be updated on input from citizenry, results from transportation alignment, and interchange configuration refinement, funding options, and the project schedule.

**ACTION REQUESTED: No action is requested. District 4.**
