**SUBJ:** Discussion on Red Light Camera Effectiveness / Policy on Red Light Running Revenues

Traffic Engineering staff will make a presentation to the Board on the effectiveness of the Red Light Safety Camera Program in Orange County. The presentation will summarize the most recent annual report for the first 10 cameras and provide an update on the expansion of the Red Light Running Program. This report to the Board will summarize the number of camera violations, crashes, and crash rate at each of the Red Light Running locations. A discussion will follow on how to utilize Red Light Running revenues.

**Action Requested:** Board direction and authorization to use Red Light Running revenues. All Districts.
