July 2014 Neighborhood Pride Mini-Grant Recipient

The Neighborhood Preservation and Revitalization Division administers the Neighborhood Pride Grant Program that provides funds for citizen organizations to enhance the quality of their neighborhoods. There has been an overwhelming response from a wide range of neighborhood organizations showing continued interest in the Neighborhood Pride Mini-Grant Program.

The Neighborhood Pride Mini-Grant Program offers small grants to countywide volunteer neighborhood organizations for projects less than \$1,500. The neighborhood organizations are required to attend a mandatory grant workshop and establish a neighborhood team to work with staff on implementing neighborhood projects. The grant applications are accepted from October through June and reviewed monthly by the Neighborhood Grants Advisory Board (NGAB).

The NGAB is recommending the approval of Kelly Park Hills North Subdivision Neighborhood Pride Mini Grant (see Attachment A). The grant request is displayed in greater detail in Attachment B. The grant was reviewed by County staff and presented to the NGAB for recommendation. The application was reviewed based on project feasibility, organizational readiness, and benefit to the community.

In addition, the application was reviewed against the County's permitting requirements to ensure that the project would comply with appropriate County codes. Finally, the neighborhood organizations were required to demonstrate the ability to maintain the project.
