July 2014 Neighborhood Pride Wall Repair Grant Recipient

The Neighborhood Preservation and Revitalization Division administers the Neighborhood Pride Grant Program that provides funds for citizen organizations to enhance the quality of their neighborhoods. There has been a continued interest from a wide range of neighborhood organizations for funding requests under the Neighborhood Pride Grant Program.

In an effort to assist individual property owners and neighborhood organizations to repair damaged subdivision walls, the Neighborhood Pride Grant Program offers wall repair grants. The grants are designed to repair damage to walls that do not exceed more than 50% of the wall value or \$20,000, whichever is less. This grant is not available to organizations that carry insurance on the perimeter walls. The repair grant complements the wall Municipal Service Benefit Unit (MSBU) program that allows subdivisions to construct completely new perimeter walls, which may include demolition of existing walls.

The Neighborhood Grants Advisory Board (NGAB) is recommending Dean Cove Subdivision Neighborhood Wall Repair Grant Application to be approved and awarded for July 2014 (see Attachment A). The grant request is displayed in greater detail in Attachments B and C. The grant request was reviewed by Orange County staff and presented to the NGAB for recommendation. The application was reviewed based on project feasibility, organizational readiness, and benefit to the community. In addition, the application was reviewed against the County's permitting requirements to ensure that the project would comply with appropriate County codes.
