SUBJECT: Selection of Consultant, Request for Proposals No. Y14-600-ZM  
Mosquito Control Information System

ACTION REQUESTED:

Selection of Leading Edge Associates, Inc., under Request for Proposals Y14-600-ZM, to provide a Mosquito Control Information System. Further request authority for the Procurement Division to negotiate and execute a contact within a budget amount of \$169,862.83.

This item was reviewed and approved by the Procurement Committee on May 7, 2014. Commissioner Jennifer Thompson was assigned to the Procurement Committee.

PROCUREMENT:

To provide a Mosquito Control Information System to monitor, track and record electronically all data associated with service requests, complaint investigations, surveillance and field/laboratory functions.

FUNDING:

Funding is available in account 0230-060-2470-6440.

APPROVALS:

The Mosquito Control Division and the Business Development Division concur with this recommendation.

REMARKS:

Two proposals were received in response to RFP Y14-600-ZM. The proposal from Electronic Data Solutions was not selected for Board consideration due to the hardware implications that would require the Mosquito Control Division to replace over \$100K in equipment to achieve compatibility with truck mounted spraying equipment. Additionally, the proposal submitted by Electronic Data Solutions did not achieve live updating and live vehicle tracking which were key objectives for the program.

The Procurement Committee evaluated the proposals against the stated criteria. Attached are the consensus scores.
