RESOLUTION
OF THE
BOARD OF COUNTY COMMISSIONERS
ESTABLISHING A
MUNICIPAL SERVICE BENEFIT UNIT
FOR INSTALLING SPEED HUMPS FOR

**Derringer Drive
Waterside Estates Phase 1
11/2015**

WHEREAS, Section 125.01 (l) (q), Florida Statutes, grants Orange County the power to establish Municipal Service Benefit Unit (hereinafter known as "MSBU") for any part of the unincorporated areas of Orange County; and

WHEREAS, Section 197.3632, Florida Statutes, authorizes the levy, collection, and enforcement of non ad-valorem special assessments in the same manner as ad valorem taxes; and

WHEREAS, the Board of County Commissioners of Orange County, Florida, (hereinafter known as the "Board"), is the governing board of Orange County, Florida (hereinafter known as the "County") pursuant to its charter; and

WHEREAS, the County has received a request, in writing from the property owners of a portion of Waterside Estates Phase 1 subdivision for the establishment of such an MSBU to provide for the capital costs of installing speed humps by imposing special assessments against property benefited by the improvements in that portion of the unincorporated area of Orange County to be known as Waterside Estates Phase 1 subdivision and which is more fully described below; and

WHEREAS, the Board has, pursuant to notice duly given both by mail and by publication, held a hearing at which all interested persons who appeared were heard or given an opportunity to be heard as to (a) the desirability of undertaking the improvements hereinafter described, (b) the desirability of defraying the cost thereof through special assessments, (c) the amount by which each lot or parcel of real estate which is more fully described below will be benefited by the speed humps, and (d) the amount to be assessed against each benefited property; and

WHEREAS, the Board has determined that the request of the property owners of a portion of Waterside Estates Phase 1 subdivision, together with the other information pertaining to the speed humps, to be feasible, necessary to facilitate the services desired, and in the interest of the public health and safety, the improvements to a portion of Waterside Estates Phase 1 subdivision which is more fully described below should be made, and that the properties will be benefited, now and in the future, and that the MSBU should be created; and

THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

Section 1. Creation of MSBU.

There is hereby established and created the **Derringer Drive - Waterside Estates Phase 1 11/2015 MSBU**, subject to final adjustment and approval as provided for in Section 197.3632, Florida Statutes,

the boundaries of which appear on the recorded plat of **Waterside Estates Phase 1** subdivision, Plat Book **48**, Pages **100 through 105**, Lots **1 through 11** and Lots **51 through 67**, Section **17**, Township **23**, Range **31**, Public Records of Orange County, Florida. The purpose of this MSBU is to provide for collection and disbursement by Orange County of such funds as may be necessary to reimburse Orange County for expenditures made for installing speed humps in a portion of Waterside Estates Phase 1 subdivision. It is understood and agreed that this MSBU is created solely for the purpose of payment to cover the costs associated with installing the speed humps in a portion of Waterside Estates Phase 1 subdivision.

Section 2. The Project.

- (a) Nature of Improvement. The following project to be paid for (either partially or in full) from special assessment proceeds is installing **3 (three) speed humps** in a portion of Waterside Estates Phase 1 subdivision in accordance with the Resolution approved by the Orange County Board of County Commissioners on April 15, 1994.
- (b) Location of Project. These improvements in a portion of Waterside Estates Phase 1 subdivision shall be made on Derringer Drive between the Park to the West and Lot 3 to the North. The locations have been determined by the Orange County Public Works Traffic Engineering Department.
- (c) Estimated Capital Cost. The estimated capital cost of installing the 3 (three) speed humps is **\$9,000.00 with Orange County paying 50% - \$4,500.00; District 4 Commissioner paying 25% - \$2,250.00; and the property owners shown in Exhibit "A" of this resolution paying 25% - \$2,250.00.**

Section 3. Assessments.

- (a) Portion of Capital Costs Paid by Assessments. Of the total estimated capital cost for installing speed humps in Section 2 (c), **\$2,250.00** shall be paid from the proceeds of the special assessments. The proceeds of the special assessments shall reimburse the County for cost paid out of the **Public Works Traffic Calming Program**.
- (b) Manner of Assessment; Declaration of Benefit. All benefited property shall be assessed a one-time special assessment of **\$88.00** per lot in a portion of Waterside Estates Phase 1 subdivision. This one-time special assessment includes a portion of the capital cost of installation and administrative fees. The Board hereby declares that such method of special assessment is proportionate to and not in excess of the special benefits to be derived by each benefited property from installing 3 (three) speed humps.
- (c) One Time Assessment. Assessments will be a one-time special assessment, which includes administration fees. The non-ad valorem special assessment is levied for the first and only time as of **November 1, 2015**.
- (d) Collection of Annual Installments. It is the intent of Orange County that the Uniform Method for the levy, collection, and enforcement of non-ad valorem special assessments, as Sections 197.3632 and 197.3635, Florida Statutes, grants, shall be used for collecting the non-ad valorem special assessments. One and one half dollars (\$1.50) for each lot or parcel of land shall be added by the Board to cover the costs of administering the MSBU and the total amount so determined shall be specifically assessed against the real property of the freeholders in the MSBU as provided

hereafter. An additional amount will be added to provide for reimbursement of necessary administrative costs incurred by the Property Appraiser and Tax Collector for the collection of non-ad valorem special assessments subject to the provisions of Section 197.3632, Florida Statutes.

Section 4. Assessed Lands; Individual Assessments.

The specific properties benefited by installing these speed humps and the special assessment imposed on each of them are the boundaries of which appear on the recorded plat of Waterside Estates Phase 1 subdivision, Plat Book 48, Pages 100 through 105, Lots 1 through 11 and Lots 51 through 67, Section 17, Township 23, Range 31, Public Records of Orange County, Florida. In the event of division or splitting of any of the tax parcels or lots assessed herein, any such newly subdivided or split parcels shall be included in the MSBU non-ad valorem special assessments.

After adoption of the non-ad valorem special assessment roll by the Board, the Property Appraiser shall extend the non-ad valorem special assessment upon the non-ad valorem special assessment roll, which roll shall be fully completed prior to the time said Board sits as a Board of Tax Adjustment, during which time such non-ad valorem special assessment may be protested, reviewed, equalized and adjusted to conform to the provisions of Sections 197.3632 and 197.3635, Florida Statutes. After adjournment as the Board of Tax Adjustment, said Board of County Commissioners shall certify the non-ad valorem special assessment roll in the same manner and at the same time as the County Tax Roll is certified and delivered to the Tax Collector, and the non-ad valorem special assessment shall be collected in the same manner and shall have the same priority rights, discounts for early payment, prepayment by installment method, deferred payment, penalty for delinquent payment, and issuance and sale of tax certificates and tax deeds for non-payment, and be subject to the same delinquent interest and penalties, and be treated in all respects the same as County taxes. Said non-ad valorem special assessment, when collected by the Tax Collector shall be remitted to said Board, who shall deposit the same in such depository as shall be designated by the Board. From the proceeds of said non-ad valorem special assessments, the Board shall pay the costs for having a non-ad valorem special assessment roll made and extended. The Tax Collector's office shall receive all fees and costs of sale as provided by law for the collection of ad valorem taxes, advertising, sale of lands, and issuance and sale of certificates. The Uniform Method for the levy, collection, and enforcement of non-ad valorem special assessments, Section 197.3632, Florida Statutes, shall be used.

Section 5. Termination of MSBU.

Upon final payment of this one time only non-ad valorem special assessment, this MSBU shall automatically terminate.

Each property owner affected by this resolution has been provided first class mail notice of the potential for loss of his or her title when the Uniform Method of collection is used and that all affected property owners have a right to appear at the hearing and to file written objections with the Board. Each property owner affected by this resolution has been provided first class mail notice of the time and place of the public hearing at which this resolution was adopted. However, under Section 119.07, Florida Statutes, certain records may be noted as exempt and confidential. This public record exemption may cause certain property owners not to receive the above first class mail notice, however, a public hearing notice conforming to the provisions of Section 197.3632, Florida Statutes, has been published in a newspaper of general circulation within Orange County.

The Board of County Commissioners shall be the governing Board of said Municipal Service Benefit Unit.

ADOPTED THIS _____ DAY OF AUG 05 2014, 2014

AFFIDAVIT
OF
PROOF OF PUBLICATION

State of Florida

§

County of Orange

Before the undersigned authority, personally appeared Deborah M. Toney, who on oath says that she is the Legal Advertising Representative of the Orlando Sentinel, a newspaper published at Orlando, in Orange County, Florida; that the attached copy of advertisement, being a notice of the local government's intent to use the uniform method for collecting a non-ad valorem assessment, was published in said newspaper on **July 13, 2014** in the matter of **Derringer Dive – Waterside Estates Phase 1**.

The affiant further says that the said the Orlando Sentinel is a newspaper published at Orlando, in said Orange County, Florida, each day, and has been entered as second mail matter at the post office in Orlando, in said Orange County, Florida, for a period of one year next preceding the first publication of the attached copy of advertisement; and the affiant further says the he has neither paid nor promised any person, firm, or corporation any discount, rebate, commission, or refund for the purpose of securing this advertisement for publication in the said newspaper.

Sworn to and subscribed before me this 21 day of July, 2014.
