The Bureau of Justice Assistance (BJA) has completed its review of your facility, inmate, and correctional officer data related to the State Criminal Alien Assistance Program (SCAAP). The Bureau of Immigration and Customs Enforcement has vetted the inmate records, and an award amount has been calculated.

In accepting this award, you understand that BJA reserves the right to take appropriate administrative action, including intensive monitoring, repayment action, or adjustment to future payments, to resolve data discrepancies, errors, or audit findings related to any information reported in your application.

Applicants are now required to accept awards online within 45 calendar days of award notice, in accordance with the Office of Justice Programs (OJP) Financial Guide, Part II, Chapter 2, Acceptance Procedures requiring acceptance/drawdown of awards with 45 days of notice of award, and Part IV, Chapter 2, section 16.606, State Criminal Alien Assistance Program (SCAAP) requiring an "expeditious draw-down of payments."

Jurisdictions accepting SCAAP awards are not required to submit financial or progress reports to OJP. For FY 2009 SCAAP awards, the Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162, Title XI) requires that all SCAAP funds be used for correctional purposes only. Please see the use of funds list and certification below. With your acceptance (by clicking on the Accept button below) of SCAAP's terms, conditions, and award amount, OJP will initiate an electronic payment in that amount to your bank account of record, as verified through the on-line SCAAP registration process and in accordance with applicable E-Government rules and requirements.

All issues related to the electronic transfer of funds or the bank account of record must be referred to the OCFO Customer Service Center at 800-458-0786. ### Update on the Payments for "Unknown" Alien Status Inmate Days

The Department of Justice (DOJ) will continue the reimbursements for the unknown category of SCAAP inmates for the FY 2014 SCAAP awards. SCAAP grantees are strongly encouraged to work collaboratively with DHS in the following programs in order to increase their inmate alien status verifications. Those programs include:

- **Secure Communities Program:** This program leverages an existing information sharing capability between DHS and DOJ to quickly and accurately identify aliens who are arrested for a crime and booked into local law enforcement custody. With this capability, the fingerprints of everyone arrested and booked are not only checked against Federal Bureau of Investigation (FBI) criminal history records, but they are also checked against DHS immigration records. If fingerprints match DHS records, the Bureau of Immigration and Customs Enforcement (ICE) determines if immigration enforcement action is required, considering the immigration status of the alien, the severity of the crime and the alien's criminal history. For more information, see the following web site: [www.ice.gov/secure\\_communities/](http://www.ice.gov/secure_communities/).
- **287(g) Program:** The 287(g) program allows a state and local law enforcement entity to enter into a partnership with ICE in order to receive delegated authority for immigration enforcement within their jurisdictions. This allows the officials in the jurisdictions to match inmate records prior to the SCAAP application process. For more information, see the following web site: [www.ice.gov/news/library/factsheets/287g.htm](http://www.ice.gov/news/library/factsheets/287g.htm).
- **The Law Enforcement Support Center (LESC):** LESL is a single national point of contact that provides timely customs information and immigration status and identity information and real-time assistance to local, state and federal law enforcement agencies on aliens suspected, arrested or convicted of criminal activity. For more information, see the following web site: [www.ice.gov/LESL/](http://www.ice.gov/LESL/) or call 802-872-6000.

### Overview:

BJA administers the State Criminal Alien Assistance Program (SCAAP) in conjunction with the Bureau of Immigration and Customs Enforcement (ICE) and Citizenship and Immigration Services, Department of Homeland Security (DHS). SCAAP provides federal payments to states and localities that incurred correctional officer salary costs for incarcerating undocumented criminal aliens with at least one felony or two misdemeanor convictions for violations of state or local law, and incarcerated for at least 4 consecutive days during the reporting period.

### Use of SCAAP Awards

The Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162, Title XI) included the following requirement regarding the use of SCAAP funds: "Amounts appropriated pursuant to the authorization of appropriations in paragraph (5) that are distributed to a State or political subdivision of a State, including a municipality, may be used only for correctional purposes." Beginning with FY 2007 SCAAP awards, SCAAP funds must be used for correctional purposes only.
