Background

Prior Legislative Actions:

- In 2002, the “Dori Slosberg Driver Education Safety Act” was adopted to enhance funding for driver education programs
- It authorized a \$3 fine on each civil traffic penalty (excludes parking fines)
- In 2006, the fine was increased to \$5
- Only public and non-public schools are eligible to receive funding

Background

Prior BCC Actions:

- December 2004, the BCC authorized a \$3 civil traffic penalty
- December 2006, the BCC approved an agreement with OCPS
- October 2009, due to budget constraints, OCPS discontinued their driver education program
- April 2011, BCC approved an agreement with the Florida Virtual School

Background

Virtual School Obligations:

- Only for students enrolled in Orange County public, accredited non-public and registered home schools
- Must be for behind the wheel training
- Must be for direct program expenses
- Provide annual performance reports
