

Interoffice Memorandum

Sept 5, 2014

APPROVED
BY ORANGE COUNTY BOARD
OF COUNTY COMMISSIONERS
OCT 21 2014 NP/KH

TO: Mayor Teresa Jacobs
and Board of County Commissioners

FROM: Mark V. Massaro, P. E., Director, Public Works Department

CONTACT PERSON: Ruby Dempsey Rozier, Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7890

SUBJ: Establishment of "No Parking, Stopping, Standing" Zone on Wallace Road
and on Doctor Phillips Boulevard at Doctor Phillips Elementary School

Orange County Public Schools Principal Daniel Merchant is requesting that a "No Parking, Stopping, Standing" zone be established on the north side of Wallace Road from Dr. Phillips Boulevard to a point 1000 feet east, and on the east side of Dr. Phillips Boulevard from Wallace Road to a point 550 feet north.

The Traffic Engineering Division staff has observed parents dropping off and picking up their children on the edge of the roadway along Wallace Road and on Doctor Phillips Boulevard. The parking, stopping, and standing of vehicles at this location is creating a hazard for students walking to and from the school, as well as, for motorist entering and exiting the school.

Staff recommends that the Board approve the establishment of a "No Parking, Stopping, Standing" zone on the north side of Wallace Road from Dr. Phillips Boulevard to a point 1000 feet east, and on the east side of Dr. Phillips Boulevard from Wallace Road to a point 550 feet north.

Action Requested: Approval to install a "No Parking, Stopping, Standing" zone on the north side of Wallace Road from Dr. Phillips Boulevard to a point 1000 feet east, and on the east side of Dr. Phillips Boulevard from Wallace Road to a point 550 feet north. District 1.

Kevin Miller
School Safety Coordinator
Orange County Public Works
(407) 836-7862

Dear Mr. Miller,

Dr. Phillips Elementary School has been rebuilt and has opened with the new school located on the same site. Our arrival and dismissal procedures have changed which is presenting a problem with parents not following safety procedures. As a result, we are experiencing more parent's stopping/parking/standing and dropping off their children on the edge of the road.

To get the parents to utilize the parent drop off procedure we are requesting a "No Parking, Stopping or Standing" signs along the entire frontage of the school. This is a safety hazard for the elementary aged students to be dropped off along these busy streets.

We are requesting a "No Parking, Stopping, or Standing" zone on Dr. Phillips Boulevard from Wallace Road to 550 feet north on the east side of the roadway. On Wallace Road I am requesting a "No Parking, Stopping, or Standing zone on Wallace Road from Dr. Phillips Boulevard to 1000 feet east along the north side of the roadway.

Sincerely,

A handwritten signature in cursive script that reads 'Daniel Merchant'.

Daniel Merchant, Principal
Dr. Phillips Elementary School
