SUBJ: Establishment of "No Parking" Zone on the South Side of El Prado from  
Chickasaw Trail East 725 Feet

The residents of Brighton Woods neighborhood have requested that a "No Parking" zone be established on the south side of El Prado from Chickasaw Trail east 725 feet.

The Traffic Engineering Division has determined that the parking of vehicles along the south side of El Prado is creating a hazard and impeding the clear line of sight for vehicles traveling northbound on Cotswold Drive. The installation of a "No Parking" zone will reduce this condition.

Staff recommends that the Board approve the establishment of a "No Parking" zone on the south side of El Prado from Chickasaw Trail east 725 feet.

**Action Requested: Approval to install a "No Parking" zone on the south side of El Prado from Chickasaw Trail east 725 feet. District 3.**
