Project Administration Agreements

On August 5, 2014, the Board of County Commissioners (BCC) approved Orange County's 2014-2015 Action Plan for community development. The Action Plan was subsequently forwarded to the United States Department of Housing and Urban Development (HUD) for approval. The Action Plan utilizes some of the Community Development Block Grant (CDBG) and Emergency Solutions Grant (ESG) funding to support the delivery of social service activities. These activities are targeted to low-income persons, and include, but are not limited to, home delivered meals for the elderly, subsidized childcare, services for the disabled, emergency shelter for the homeless, and supportive services for abused women.

To comply with HUD regulations and efficiently implement the projects and activities, Project Administration Agreements with public service agencies are being submitted for approval. The agreements have been reviewed by the County Attorney's Office as to form. A list of the agreements with the amount funded for each agency is attached. The term of each agreement will be from October 1, 2014 through September 30, 2015.
