Three bids were submitted for this project. Sun Road, Inc. has a satisfactory performance record on similar projects. Valencia Construction Group, Inc. was determined to be non-responsible due to their lack of experience on similar projects. CE James, Inc.'s bid was non-responsive because they failed to provide an adequate bid bond. The bid of Sun Road, Inc. is considered reasonable based on a technical evaluation by staff and the consultant, including an analysis of the engineer's estimate. Therefore, award is recommended to Sun Road, Inc.
