SUBJ: **Removal of a "No Parking" Zone During School Drop-off and Pick-up Times on Both Sides of Bentry Street from 11416 Bentry Street to 11455 Bentry Street**

On June 18, 2013, the Board approved establishment of a "No Parking" zone during school drop-off and pick-up times on both sides of Bentry Street starting at 11406 Bentry Street and continuing to 11455 Bentry Street.

The residents of Bentry Street have returned surveys to decrease the length of the existing "No Parking" zone and remove signs from 11416 Bentry Street to 11455 Bentry Street on both sides of the street. The result of the survey was that 90% of the returned surveys from property owners supported the sign removal. Traffic Engineering Division staff has determined that decreasing the no parking zone will not impact school related traffic flow.

Staff recommends that the Board approve the removal of the existing "No Parking" zone on both sides of Bentry Street from 11416 Bentry Street to 11455 Bentry during school drop-off and pick-up times as requested by the homeowners.

**Action Requested: Removal of a "No Parking" zone during school drop-off and pick-up times on both sides of Bentry Street from 11416 Bentry Street to 11455 Bentry Street. District 4.**
