SUBJ: **Establishment of a "No Parking, Stopping, Standing" on the West Side of Crayford Avenue from Muscatello Street Extending 680 Feet South along the Frontage of John Young Elementary School**

The Orange County School Board has submitted a request for a "No Parking, Stopping, Standing" zone on the west side of Crayford Avenue from Muscatello Street extending 680 feet south along the frontage of John Young Elementary School.

The Traffic Engineering Division staff has observed parents dropping off and picking up their children on the edge of the roadway along Crayford Avenue. The parking, stopping, and standing of vehicles at this location creates a hazard for students walking to and from the school, as well as for motorist entering and exiting the school.

Staff recommends that the Board approve the establishment of a "No Parking, Stopping, Standing" zone on the west side of Crayford Avenue from Muscatello Street extending 680 feet south along the frontage of John Young Elementary School.

**Action Requested: Approval to install a "No Parking, Stopping, Standing" zone on the west Side of Crayford Avenue from Muscatello Street extending 680 feet south along the frontage of John Young Elementary School. District 4.**
