SUBJECT: Consent Agenda Item for January 13, 2015
Supervisor of Elections Voter Equipment Payment Request

On March 11, 2014, Supervisor of Election Bill Cowles presented to the Board of County Commissioners the equipment costs required to comply with the new state voter system in the amount of \$1,538,055 over two fiscal years. Upgrades to the voting system are primarily due to changes in the law addressing the needs of voters with disabilities, as well as technological obsolescence.

The amount provided to the Supervisor of Elections last fiscal year was \$190,000; therefore, the remaining amount being requested for FY 2015 is up to \$1,348,055. This amount is included in the adopted FY 2015 budget approved by the Board.

ACTION REQUESTED: Approval to pay up to \$1,348,055 to the Supervisor of Elections for voting system upgrades.
