SUBJECT: Business Development Division Bid Evaluation

PROJECT: Y15-731-MM / Orange County Convention Center West Building Sliding Fire Door Replacement

The Business Development Division evaluated the 3 lowest bids of the 5 bids submitted for this project and found that the apparent low bidder Orange County MWBE firm Axios Construction Services, LLC did not achieve good faith effort documentation and reported 14.08% MWBE participation in their bid. Please note the following certified MWBE participation:

Mbe-afam	Axios Construction Services, LLC	\$89,000.00
Total MWBE Participation		\$89,000.00

The second low bid submitted by BDG Construction Services, LLC did not achieve good faith effort documentation and reported 0.00% MWBE participation in their bid.

The third low bid submitted by Theobald Construction, LLC did not achieve good faith effort documentation and reported 0.00% MWBE participation in their bid.

None of the bids met the MWBE sliding scale range criteria to be awarded this contract over the low bidder.

Our evaluation of these bids was based on the participation listed on the subcontractor/supplier page. If the low bidder is not chosen, please let us know so that we may obtain Letters of Intent to confirm the participation.

Attached is a spreadsheet reconciling the bidders' compliance with the IFB's M/WBE requirements, including the percentage breakdown for all bidders and a comparison of the relative bids versus participation percentages.
