SUBJECT: Approval of Purchase Order M72427, Renewal of Annual  
Maintenance for the E911 Positron Viper System

ACTION REQUESTED:

Approval of Purchase Order M72427, Renewal of Annual Maintenance for the  
E911 Positron Viper System, with AT&T in the amount of \$909,867.

PROCUREMENT:

To provide Orange County Public Safety Answering Points (PSAPs) with monthly  
maintenance for the E911 Positron Viper System for the period of July 1, 2015  
through June 30, 2016.

FUNDING:

Funding is available in account number 1054-031-0677-3823.

APPROVALS:

The Information Systems and Services Division concurs with this  
recommendation.

REMARKS:

In April 2001, the Board of County Commissioners approved AT&T as the sole  
provider for 911 services within Orange County.

A comparison of prices for similar services in Seminole County and Brevard  
County were used to determine the reasonableness of the cost for this  
maintenance. While the systems at both of these agencies have some  
dissimilarities to the system at Orange County, price analysis indicated that the  
pricing for this service was consistent with the prices paid by these entities.
