SUBJ: Approval to Decrease the Posted Speed Limit on Porter Road/Surf Bird Street
from 45 Miles per Hour to 25 Miles per Hour

The Traffic Engineering staff has evaluated the existing posted speed limit on Porter Road/Surf Bird Street from the intersection of Surf Bird Street and Summerlake Park Boulevard to the intersection of Porter Road and Summerlake Park Boulevard.

Porter Road/Surf Bird Street had previously been signed in 2010 with a posted speed limit of 45 miles per hour. Since then the road has been incorporated into the Summerlake Planned Development as residential streets with front loading driveways. Therefore, staff recommends that the posted speed limit on Porter Road/Surf Bird Street be reduced from 45 miles per hour to 25 miles per hour.

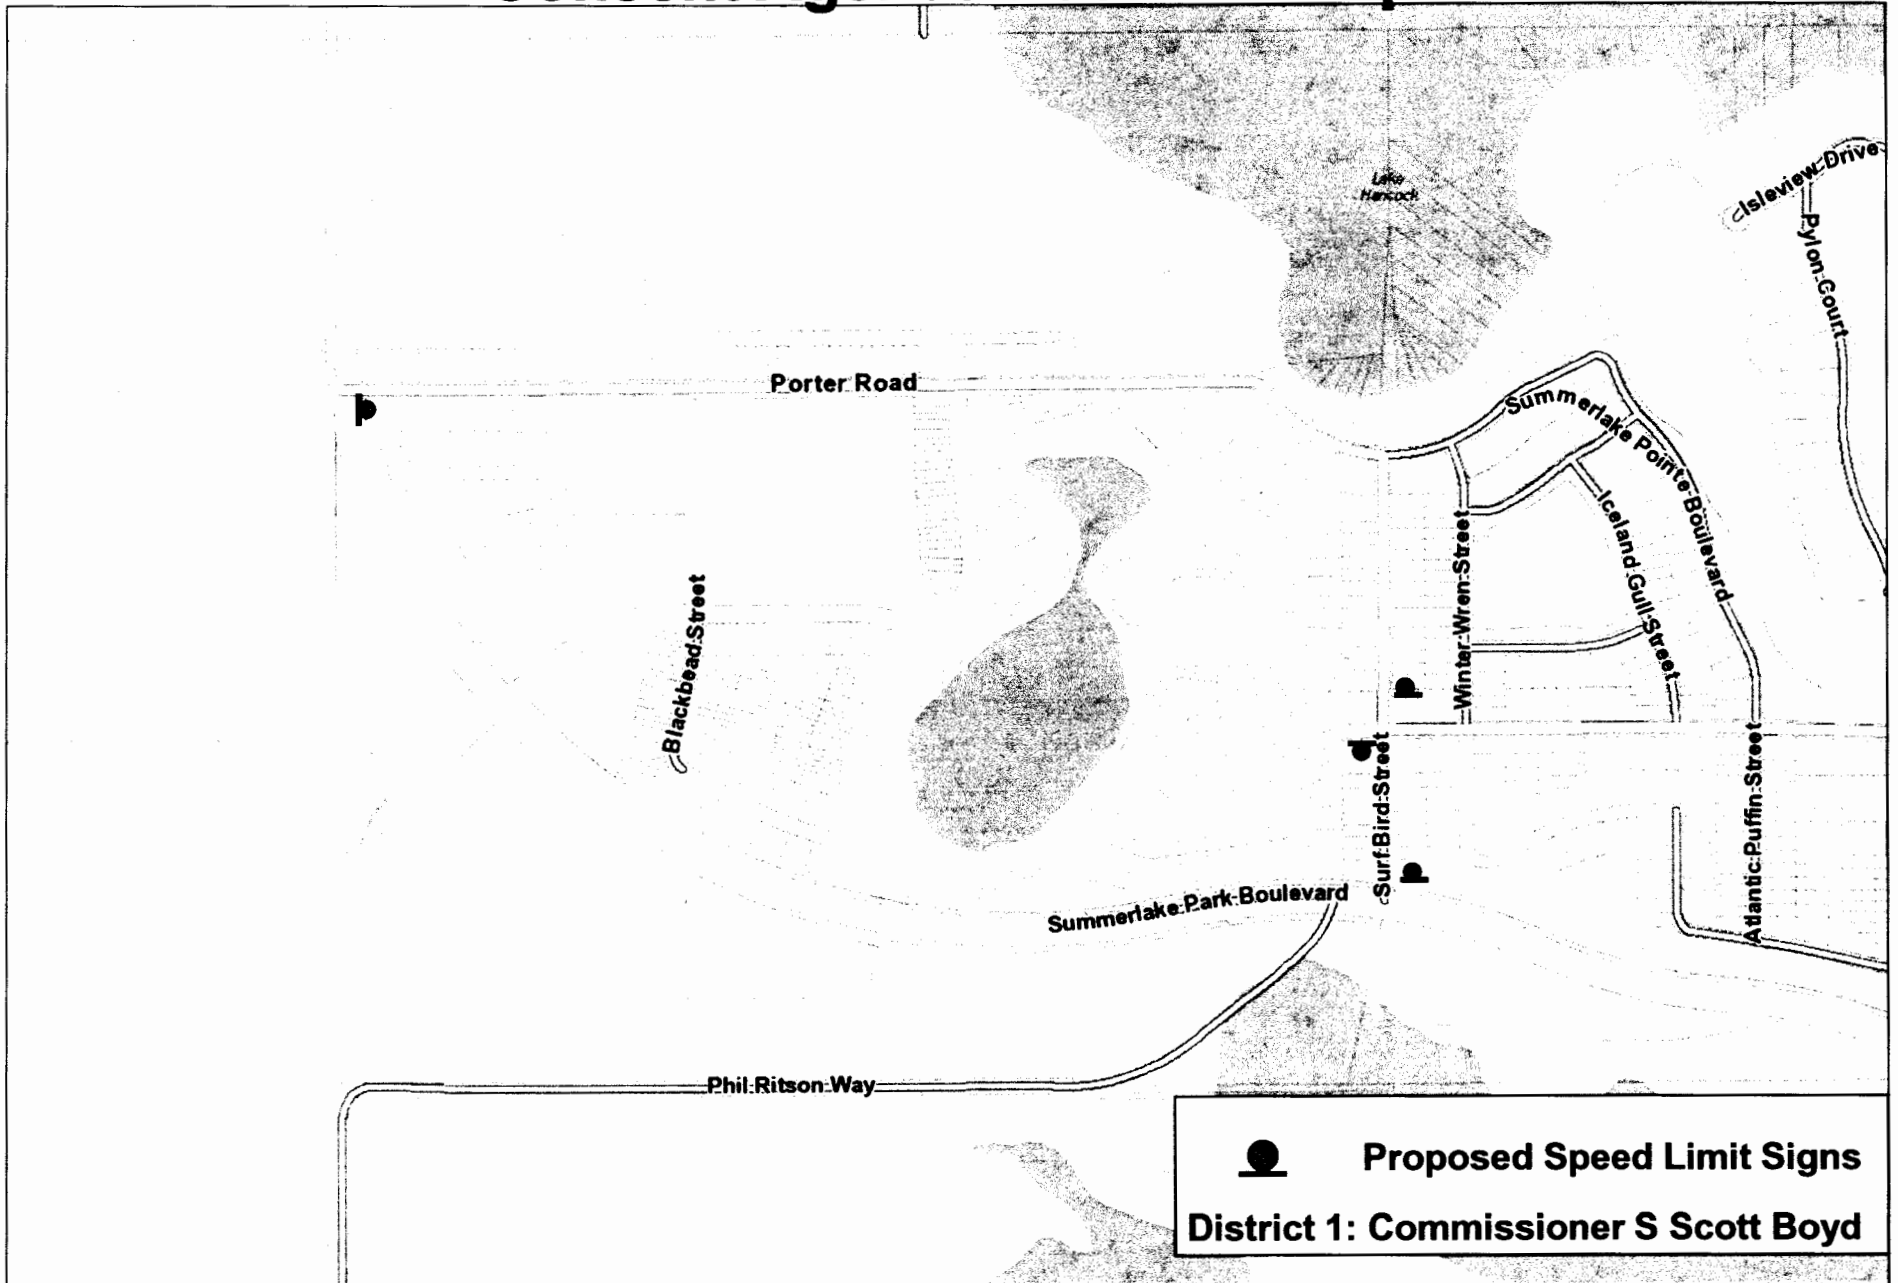

Staff requests approval to decrease the posted speed limit on Porter Road/Surf Bird Street from 45 miles per hour to 25 miles per hour.

Action Requested: Approval to decrease the existing posted speed limit on Porter Road/Surf Bird Street from the intersection of Surf Bird Street and Summerlake Park Boulevard to the intersection of Porter Road and Summerlake Park Boulevard from 45 miles per hour to 25 miles per hour. District 1.
