SUBJ: Establishment of "No Parking" Zone on the West Side of Brookgreen
Avenue from Oak Ridge Road to David Avenue

A concerned citizen has requested that a "No Parking" zone be established on the west side of Brookgreen Avenue from 70 feet north of Oak Ridge Road to 35 feet south of David Avenue.

The Traffic Engineering Division has determined that the parking of vehicles along Brookgreen Avenue is creating a sight distance hazard to pedestrians and motorists utilizing this stretch of roadway. The parking of vehicles on the right of way in this stretch of roadway also reduces the walking path provided to students walking to and from Sadler Elementary School.

Staff recommends that the Board approve the establishment of a "No Parking" zone on the west side of Brookgreen Avenue from 70 feet north of Oak Ridge road to 35 feet south of David Avenue.

Action Requested: Approval to install a "No Parking" zone on the west side of Brookgreen Avenue from Oak Ridge Road to David Avenue. District 6.
