

Interoffice Memorandum

APPROVED  
BY ORANGE COUNTY BOARD  
OF COUNTY COMMISSIONERS

September 25, 2015

OCT 20 2015 JH/CS

TO: Mayor Teresa Jacobs  
and the Board of County Commissioners

FROM: Johnny Richardson, Manager, Procurement Division

CONTACT: Troy Layton, Manager, Field Services Division

SUBJECT: Ratification of Purchase Order M75331, Emergency Pipe Tapping Services on Sand Lake Road, 42-inch Wastewater Force Main

ACTION REQUESTED:

Ratification of Purchase Order M75331, Emergency Pipe Tapping Services on Sand Lake Road 42-inch Wastewater Force Main, with EA Tapping Services, LLC, in the total amount of \$110,225.

PROCUREMENT:

Supply line stop services on a 42-inch wastewater force main on Sand Lake Road.

FUNDING:

Funds are available in account number 4420 038 1347 3843.

APPROVALS:

The Utilities Field Services concurs with this recommendation.

REMARKS:

On August 21, 2015, a 42-inch force main break occurred along Sand Lake Road at the corner of Presidents Drive. These services will provide a permanent bypass to allow the 42-inch force main to be repaired. This force main goes directly to the South Water Reclamation Facility and without a permanent repair another failure could occur resulting in wastewater over flow to surrounding areas impacting the public health while incurring potential fines from the U.S. Environmental Protection Agency. Due to the emergency nature of this work, emergency procurement was authorized and the work is ongoing.

Staff determined the price to be fair and reasonable based on comparison with similar work in the County.

Two quotes were received:

EA Tapping Services, LLC	\$110,225
Range Line Tapping Services, LLC	\$140,900
