TO: Mayor Teresa Jacobs
AND
Board of County Commissioners

FROM: Commissioner S. Scott Boyd, District 1

SUBJECT: Skyplex Project Community Meeting

A handwritten signature in black ink, appearing to be "S. Boyd", written over the "FROM:" line of the email header.

During the November 3, 2015 BCC Open Discussion, I would like to discuss the possibility of holding a community meeting regarding the proposed Skyplex project. As you may know, the project is located in the International Drive area of District 6, and is scheduled for a BCC Public Hearing in December. My office has received several communications from District 1 residents who have concerns and questions with regard to how this project might impact them. It would also be beneficial to include the potential community meeting notification radius as part of the discussion.

Thank you in advance for your consideration of this request.
