TO: Mayor Teresa Jacobs  
-AND-  
Board of County Commissioners

FROM: Pat Danforth, Grants Coordinator  
Orange County Sheriff's Office

SUBJECT: U.S. Department of Justice-FY15 Justice Assistance Grant Program  
CONSENT AGENDA ITEM November 17, 2015.

The U.S. Department of Justice has awarded Orange County, as governing body, a FY15 Justice Assistance Grant Program, award number 2015-DJ-BX-0493, in the amount of \$354,471, with no required match. The grant period is from October 1, 2014 through September 30, 2018. This grant will provide funding to support the following law enforcement initiatives to essential county services.

**Orange County Corrections/Breathing Apparatus Air Tanks & Electronic Control**

**Devices** – funds will be used to purchase self-contained breathing apparatus to provide breathable air in an immediately dangerous to life or health atmosphere. They will also purchase electronic control devices (tasers) to control unruly and non-compliant inmates in the amount of \$50,000.

**Orange County Juvenile Assessment Center/Technology Implementation** - funding will be utilized to procure a technology based booking/tracking system in the amount of \$72,635.

**Orange County Neighborhood Preservation & Revitalization/Crime Prevention**

**Through Environmental Design (CPTED)** – funding for this project will provide for the Senior Planner and Chief Planner to obtain the Florida CPTED Practitioner Designation in the amount of \$4,276.

**Orange County Victim Service Center/Crime Victim's Prevention and Education** – funding will pay for a Prevention & Education Coordinator and the cost to design and product a training video in the amount of \$52,240.

**Orange County Sheriff's Office/SNAP (Sector 2 Noise Alcohol Patrol)** – funds will provide overtime for deputies to work the SNAP detail, to reduce the noise, alcohol and disturbance violations in the UCF area during the academic year in the amount of \$59,160.

10/27/2015

Consent Agenda (11/17/2015)

*SPECIAL CONDITIONS*

1. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (the "Part 200 Uniform Requirements") apply to this 2015 award from the Office of Justice Programs (OJP). For this 2015 award, the Part 200 Uniform Requirements, which were first adopted by DOJ on December 26, 2014, supersede, among other things, the provisions of 28 C.F.R. Parts 66 and 70, as well as those of 2 C.F.R. Parts 215, 220, 225, and 230.

If this 2015 award supplements funds previously awarded by OJP under the same award number, the Part 200 Uniform Requirements apply with respect to all award funds (whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this 2015 award.

Potential availability of grace period for procurement standards: Under the Part 200 Uniform Requirements, a time-limited grace period may be available under certain circumstances to allow for transition from policies and procedures that complied with previous standards for procurements under federal awards to policies and procedures that comply with the new standards (that is, to those at 2 C.F.R. 200.317 through 200.326).

For more information on the Part 200 Uniform Requirements, including information regarding the potentially-available grace period described above, see the Office of Justice Programs (OJP) website at <http://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

2. The recipient agrees to comply with the Department of Justice Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide").
3. The recipient acknowledges that failure to submit an acceptable Equal Employment Opportunity Plan (if recipient is required to submit one pursuant to 28 C.F.R. Section 42.302) that is approved by the Office for Civil Rights is a violation of the Standard Assurances executed by the recipient, and may result in suspension of funding until such time as the recipient is in compliance, or termination of the award.
4. The recipient understands and agrees that OJP may withhold award funds, or may impose other related requirements, if the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.
5. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of OJP.
6. The recipient and any subrecipients must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by - mail: Office of the Inspector General U.S. Department of Justice Investigations Division 950 Pennsylvania Avenue, N.W. Room 4706 Washington, DC 20530 e-mail: [oig.hotline@usdoj.gov](mailto:oig.hotline@usdoj.gov) hotline: (contact information in English and Spanish): (800) 869-4499 or hotline fax: (202) 616-9881 Additional information is available from the DOJ OIG website at [www.usdoj.gov/oig](http://www.usdoj.gov/oig)

7. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient --

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized to make subawards or contracts under this award --

a. it represents that --

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

8. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP.

9. The recipient agrees to comply with any additional requirements that may be imposed during the grant performance period if the agency determines that the recipient is a high-risk grantee. Cf. 28 C.F.R. parts 66, 70.

*SPECIAL CONDITIONS*

10. The recipient agrees to comply with applicable requirements regarding registration with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OJP). The recipient also agrees to comply with applicable restrictions on subawards to first-tier subrecipients that do not acquire and provide a Data Universal Numbering System (DUNS) number. The details of recipient obligations are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/sam.htm> (Award condition: Registration with the System for Award Management and Universal Identifier Requirements), and are incorporated by reference here. This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
11. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
12. The recipient agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").
13. The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>.
14. The recipient agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this OJP award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this OJP award, the recipient will promptly notify, in writing, the grant manager for this OJP award, and, if so requested by OJP, seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.
15. The recipient understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.
16. The recipient understands and agrees that - (a) No award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) Nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.
17. A recipient that is eligible under the Part 200 Uniform Requirements to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC).
18. The recipient must collect, maintain, and provide to OJP, data that measure the performance and effectiveness of activities under this award, in the manner, and within the timeframes, specified in the program solicitation, or as otherwise specified by OJP. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

19. The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).
20. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
21. The recipient understands and agrees that it has a responsibility to monitor its subrecipients' compliance with applicable federal civil rights laws. The recipient agrees to submit written Methods of Administration (MOA) for ensuring subrecipients' compliance to the OJP's Office for Civil Rights at [CivilRightsMOA@usdoj.gov](mailto:CivilRightsMOA@usdoj.gov) within 90 days of receiving the grant award, and to make supporting documentation available for review upon request by OJP or any other authorized persons. The required elements of the MOA are set forth at [http://www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm), under the heading, "Civil Rights Compliance Specific to State Administering Agencies."
22. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: [http://www.it.ojp.gov/gsp\\_grantcondition](http://www.it.ojp.gov/gsp_grantcondition). Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.
23. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the grantee can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.
24. The recipient agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 42 U.S.C. 3789g(c)-(d). Recipient may not satisfy such a fine with federal funds.

25. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See [http://www.ojp.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.gov/about/ocr/equal_fbo.htm).
26. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
27. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.
28. Award recipients must verify Point of Contact(POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. If any information is incorrect or has changed, a Grant Adjustment Notice (GAN) must be submitted via the Grants Management System (GMS) to document changes.
29. The grantee agrees that within 120 days of award acceptance, each current member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. Additionally, all future task force members are required to complete this training once during the life of this award, or once every four years if multiple awards include this requirement. The training is provided free of charge online through BJA's Center for Task Force Integrity and Leadership ([www.ctfli.org](http://www.ctfli.org)). This training addresses task force effectiveness as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. When BJA funding supports a task force, a task force personnel roster should be compiled and maintained, along with course completion certificates, by the grant recipient. Additional information is available regarding this required training and access methods via BJA's web site and the Center for Task Force Integrity and Leadership ([www.ctfli.org](http://www.ctfli.org)).
30. The recipient agrees to participate in BJA-sponsored training events, technical assistance events, or conferences held by BJA or its designees, upon BJA's request.
31. All procurement (contract) transactions under this award must be conducted in a manner that is consistent with applicable Federal and State law, and with Federal procurement standards specified in regulations governing Federal awards to non-Federal entities. Procurement (contract) transactions should be competitively awarded unless circumstances preclude competition. Noncompetitive (e.g., sole source) procurements by the award recipient in excess of the Simplified Acquisition Threshold (currently \$150,000) set out in the Federal Acquisition Regulation must receive prior approval from the awarding agency, and must otherwise comply with rules governing such procurements found in the current edition of the OJP Financial Guide.

32. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the Office of Justice Programs (OJP) program office prior to obligation or expenditure of such funds.
33. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.
34. Award recipients must submit quarterly a Federal Financial Report (SF-425) and annual performance reports through GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. Therefore, quarterly performance metrics reports must be submitted through BJA's Performance Measurement Tool (PMT) website ([www.bjaperformancetools.org](http://www.bjaperformancetools.org)). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.
35. The recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
36. The recipient agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any subaward. The recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.
37. The recipient agrees to submit a signed certification that that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subrecipients planning to utilize JAG funds for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for body armor. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.
38. Ballistic-resistant and stab-resistant body armor purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and are listed on the NIJ Compliant Body Armor Model List (<http://nij.gov>). In addition, ballistic-resistant and stab-resistant body armor purchased must be American-made. The latest NIJ standard information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.
39. JAG funds may be used to purchase vests for an agency, but they may not be used as the 50% match for purposes of the Bulletproof Vest Partnership (BVP) program.
40. The recipient is required to establish a trust fund account. (The trust fund may or may not be an interest-bearing account.) The fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the grant funds in the trust fund (including any interest earned) during the period of the grant and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to the Office of Justice Programs at the time of closeout.

41. The grantee agrees to assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

42. BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to your My BJA account at <https://www.bja.gov/Login.aspx> to access the Success Story Submission form. If you do not yet have a My BJA account, please register at <https://www.bja.gov/profile.aspx>. Once you register, one of the available areas on your My BJA page will be "My Success Stories". Within this box, you will see an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the new BJA Success Story web page at <https://www.bja.gov/SuccessStoryList.aspx>.
43. Recipient understands and agrees that award funds may not be used for items that are listed on the Prohibited Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time. The Prohibited Expenditure list may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>.
44. Recipient understands and agrees that award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions may be accessed here: <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>

PROJECT NUMBER 2015-DJ-BX-0493

AWARD DATE 08/24/2015

*SPECIAL CONDITIONS*

45. Recipient understands and agrees that the purchase or acquisition of any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, with award funds by an agency will trigger a requirement that the agency collect and retain (for at least 3 years) certain information about the use of 1) any federally-acquired Controlled Equipment in the agency's inventory, and 2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and make that information available to BJA upon request. Details about what information must be collected and retained may be accessed here: [https://www.whitehouse.gov/sites/default/files/docs/le\\_equipment\\_wg\\_final\\_report\\_final.pdf](https://www.whitehouse.gov/sites/default/files/docs/le_equipment_wg_final_report_final.pdf)
46. Recipient understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:
  - a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.
  - b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
  - c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.

Recipient further understands and agrees to notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased under this award, and to abide by any applicable laws and regulations in such disposal.
47. Recipient understands and agrees that failure to comply with conditions related to Prohibited or Controlled Expenditures may result in a prohibition from further Controlled Expenditure approval under this or other federal awards.
48. The recipient may not obligate, expend, or draw down any award funds until: (1) the recipient obtains active registration with the System for Award Management (SAM) database, (2) the recipient notifies the program office in writing of its registration, and (3) a Grant Adjustment Notice (GAN) is issued removing this special condition.
49. The recipient may not obligate, expend, or draw down any funds under this award until: (1) the recipient acquires a valid Data Universal Numbering System (DUNS) number, (2) the recipient provides the DUNS number to OJP in writing, and (3) a Grant Adjustment Notice (GAN) is issued that removes this special condition.

The Honorable Teresa Jacobs  
Orange County  
425 North Orange Avenue, Suite 360  
Orlando, FL 32801-1544

Dear Mayor Jacobs:

On behalf of Attorney General Loretta Lynch, it is my pleasure to inform you that the Office of Justice Programs has approved your application for funding under the FY 15 Edward Byrne Memorial Justice Assistance Grant (JAG) Program - Local Solicitation in the amount of \$354,471 for Orange County.

Enclosed you will find the Grant Award and Special Conditions documents. This award is subject to all administrative and financial requirements, including the timely submission of all financial and programmatic reports, resolution of all interim audit findings, and the maintenance of a minimum level of cash-on-hand. Should you not adhere to these requirements, you will be in violation of the terms of this agreement and the award will be subject to termination for cause or other administrative action as appropriate.

If you have questions regarding this award, please contact:

- Program Questions, Tarasa Yates, Program Manager at (202) 305-1780; and
- Financial Questions, the Office of the Chief Financial Officer, Customer Service Center (CSC) at (800) 458-0786, or you may contact the CSC at [ask.ocfo@usdoj.gov](mailto:ask.ocfo@usdoj.gov).

Congratulations, and we look forward to working with you.

Sincerely,

**Memorandum To:** Official Grant File

**From:** Orbin Terry, NEPA Coordinator

**Subject:** Incorporates NEPA Compliance in Further Developmental Stages for Orange County

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <http://www.ojp.usdoj.gov/BJA/resource/nepa.html>.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

The Honorable Teresa Jacobs  
Orange County  
425 North Orange Avenue, Suite 360  
Orlando, FL 32801-1544

Dear Mayor Jacobs:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

### **Ensuring Access to Federally Assisted Programs**

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <http://ojp.gov/about/ocr/vawafaqs.htm>.

### **Enforcing Civil Rights Laws**

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

### **Providing Services to Limited English Proficiency (LEP) Individuals**

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lcp.gov>.

### **Ensuring Equal Treatment for Faith-Based Organizations**

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at [http://www.ojp.usdoj.gov/about/ocr/equal\\_fbo.htm](http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm).

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(e); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

### **Using Arrest and Conviction Records in Making Employment Decisions**

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at [http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction\\_Advisory.pdf](http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf). Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs) (see below).

### **Complying with the Safe Streets Act**

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEO (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(e), 205(c)(5)).

### **Meeting the EEOP Requirement**

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/ceop.htm>. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at [EEOSubmission@usdoj.gov](mailto:EEOSubmission@usdoj.gov).

### **Meeting the Requirement to Submit Findings of Discrimination**

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

### **Ensuring the Compliance of Subrecipients**

SAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see [http://www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm).

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

Michael L. Alston  
Director

**EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT  
(JAG) FY2015 Program: Local Solicitation**

**Orange County Board of County Commissioners**

**Program Narrative (Attachment 1)**

**1. Program Areas**

**A. Breathing Apparatus Air Tanks and Electronic Control Devices  
Orange County Corrections**

*(Program Area: Corrections and community corrections programs)*

The self-contained breathing apparatus is a compressed air tank donned by Correctional Officers to provide breathable air in an immediately dangerous to life or health atmosphere. Its primary use is for the safe and effective evacuation of both staff and inmate population during heavy smoke and fire. The department currently uses and maintains 180 tanks, all of which are nearing their life expectancy.

The electronic control device or “tasers” is an electroshock device designed to affect the sensory nervous system and/or disrupt voluntary muscle control of unruly and non-compliant inmates. This device is proven to reduce injury to staff and inmates, subsequently reducing cost and liability of operations. The purchase will offer an expanded ability to respond to volatile situations and react in a safer manner. Through the use of our General Fund, the department has budgeted for some Tasers over the past 3 years; however, due to fiscal constraints, we have been unable to purchase the full amount completely to implement deployment through all levels of supervision.

Both items will consistently enhance the security and promote safety throughout the Orange County Corrections Department.

## **B. Technology Implementation**

### **Orange County Juvenile Assessment Center**

*(Program Area: Planning, evaluation, and technology improvement programs)*

The Juvenile Assessment Center (JAC) is a centralized processing center for youth taken into custody by law enforcement for an alleged delinquent act in Orange County. The Assessment Center functions include detainable and non-detainable screening; health, mental health, substance abuse, physical health and suicide screening. Upon arrest or referral, a youth is screened and assessed to gather essential information for all involved parties to protect the youth and appropriately move this case through the juvenile justice system. In addition, the program provides overall administration and management of the facility operations and ensures services are performed in accordance with applicable laws, regulations, and licensing requirements. This includes daily performance of administrative functions including coordination of services provided for youth by other agencies/organizations at the JAC, facility management, data collection site based interagency communication meetings and partner/stakeholder meetings.

The current booking, screening and assessment process is paper based and inefficient. In addition, the current offender database is a stand-alone system with no network integration with other agencies. A technical assessment to streamline booking and screening process via technology upgrades indicates that the JAC would benefit from systems that communicate with multiple systems (ICJIS/fingerprinting/photos), a tracking system for booking and an integrated database to pull needed reports.

- 100% of juveniles are screened for substance abuse and mental health needs
- 100% of juveniles are provided service recommendations and referrals upon release

- 100% of juveniles receive a standardized risk assessment to determine release status
- 75% of youth are released to secure detention or parent within 6 hours of admission
- 90% accuracy of booking data entry
- Provide data reports which outline juvenile delinquency arrest and charge statistics and trends, school based offenses, regional/neighborhood juvenile crime trends.

### **C. Crime Prevention Through Environmental Design (CPTED)**

#### **Orange County Neighborhood Preservation and Revitalization Division**

*(Program Area: Prevention and education programs)*

Crime Prevention Through Environmental Design (CPTED) principles encourages proper design and effective use of the physical environment to improve public safety and decrease crime. Orange County's Comprehensive Plan tasks the Neighborhood Preservation & Revitalization Division (NPRD) with implementing CPTED principles in neighborhoods and business corridors. With this charge in mind, Orange County divisions and senior staff look to the NPRD for the CPTED expertise.

The Florida Crime Prevention Training Institute, part of the Florida Attorney General's Office, offers a CPTED Practitioner Designation. The designation provides crime prevention and community oriented planners with the skills necessary to deliver comprehensive CPTED programs to residential and commercial areas. Due to lack of travel/training funds, the Senior and Chief Planner in the NPRD have not received this designation and lack the necessary expertise to implement much needed CPTED programs. They are frequently called upon to provide guidance regarding improvements to build the environment, to improve public safety and decrease crime.

Just a few of the many situations the Planners are presented with, and where the desperate need for the training comes into play are:

- The Senior Planner took part in a field review of the Texas-Americana area and was asked to analyze the area utilizing CPTED principles.
- The Chief Planner is part of a group responsible for placing bollards in front of daycares; CPTED principals are frequently discussed.
- The Chief Planner leads a group reviewing applications for façade improvements to structures on business corridors experiencing high crime. Many of the projects involve improvements that comply with CPTED principles such as fencing, windows, doors, etc.

Funding will provide for the Senior Planner and Chief Planner to obtain the Florida CPTED Practitioner Designation by completing the Basic Crime Prevention Through Environmental Design, as well as the Advanced Crime Prevention Through Environmental Design course.

#### **D. Crime Victims' Prevention and Education**

##### **Victim Service Center**

*(Program Area: Prevention and education programs)*

Our goal is to educate the Orange County community about crime, crime prevention and to be a resource for victims.

According to the Florida Department of Law Enforcement's 2014 Uniform Crime Report, there were 1,000 forcible sex offenses (including 746 forcible rapes), 2,216 robberies, 5,251 aggravated assaults and 90 murders throughout Orange County. These numbers show a significant increase from the previous year including a 17.1% increase in rapes, and draw attention to the urgent need for more crime prevention and educational programs.

The Victim Service Center's prevention program educates youth, college students, educators, community providers, professionals, individuals, and various groups (including

members of the military, LGBTQ community, men who are victims of sexual violence and non-English speakers). Our programs are designed to promote attitudes, behaviors, and social conditions that will reduce and eliminate factors that cause or contribute to violence and crime, creating social change in Orange County.

Our prevention activities are designed to provide information and to identify victims of crime and sexual violence. Using evidence-based and evidence-informed prevention strategies, we engage active bystanders in the fight against violence to ensure they understand safe behaviors that can be applied in situations where violence is occurring, has occurred, or has the potential to occur.

During FY 2013-2014, the Victim Service Center (VSC) reached out to citizens in our community through an average of 20 presentations and/or tabling events monthly, impacting and educating over 148,000 people. VSC also provided community education regarding the prevention of sexual assault (especially on campuses), crime prevention, identity theft, bullying prevention, bystander intervention, healthy relationships, men's sensitivity training, and other safety and prevention programs.

**E. SNAP (Sector 2 Noise Alcohol Patrol)**

**Orange County Sheriff's Office**

*(Program Area: Law enforcement programs)*

The Orange County Sheriff's Office responds to complaints of loud music at businesses and within residential areas surrounding the University of Central Florida (UCF). These complaints are usually the result of parties involving college students. Excessive noise and alcoholic beverage consumption can lead to disturbances and persons crimes. Additionally, the student population under the age of 21 is allowed to enter many businesses and attend

residential parties, which may lead to the unlawful consumption and/or possession of alcoholic beverages. Without intervention, excessive alcohol consumption, drugs, and underage drinking in bars and at parties creates an unsafe and unlawful environment.

Crimes of violence have increased consistently over the past 3 years at UCF and the surrounding areas. The UCF Police Department also has reported increases in student related DUIs and underage drinking stemming from locations within unincorporated Orange County. A pilot program was created called the Sector 2 Noise Alcohol Patrol (SNAP), where deputy sheriffs conduct special patrols primarily on Fridays and Saturdays to address these issues. This special detail occurred from April 17 through May 5, 2015. Prior to the SNAP details, there were 7 robberies, 3 persons crimes, and 2 sex crimes in 2015 that occurred on Fridays and Saturdays. At the conclusion of the SNAP detail there were no reported crimes in any of these categories within the UCF area. The SNAP detail had short-term funding from the Orange County Drug Free Office, which has now been exhausted.

The Orange County Sheriff's Office is committed to maintaining a safe environment for all persons around the UCF area. Proactive law enforcement of noise, alcohol, and disturbance violations will ensure the safety of the community through crime reduction and improve the quality of life for the residents. With this funding, the SNAP details will continue throughout the UCF academic year.

The use of the SNAP details during the weekends and on special events/holidays has proven to reduce crime. SNAP's ability to interdict behavior before there is unlawful activity will create a safe environment for everyone.

The SNAP project will be implemented during the UCF academic year which begins August 24, 2015 and runs through May 5, 2016; as well as, special events and holidays.

## **F. Law Enforcement Traffic Equipment**

### **Orange County Sheriff's Office**

*(Program Area: Law enforcement programs)*

The Orange County Sheriff's Office Traffic Section is tasked with providing the residents and visitors of Orange County with safe and rapid transit while traveling on the roadways of unincorporated Orange County. In addition, the Traffic Section provides routine support to the Uniform Patrol Division in an effort to combat and reduce crime and the fear of crime. Traffic enforcement is the Traffic Section's primary means to accomplish both of the aforementioned tasks. The Traffic Section accomplishes these tasks by conducting traffic stops on dangerous drivers and issuing uniform traffic citations. Historically, the Traffic Section, which is comprised of approximately forty-five full-time personnel, issues well in excess of fifty percent of the entire agency's uniform traffic citations.

In order for the Traffic Section to provide this level of traffic enforcement and high productivity, it relies heavily on speed measurement and electronic ticket writing equipment. While each Traffic Section deputy is assigned a radar, ticket writer and printer, the inventory of all of these items are aging and requires routine and expensive repair. Currently, the Traffic Section does not have a budget to the replace these items.

The funding from the JAG grant will provide monies for the Traffic Section to continue our high level of traffic enforcement and the mission of providing rapid and safety transit, by replacing approximately 20% of the current inventory of speed measurement devices, ticket writers and printers.

**G. Uniform Patrol Division-Digital Camera Project**  
**Orange County Sheriff's Office**  
*(Program Area: Law enforcement programs)*

The Orange County Sheriff's Office is a progressive agency of over 1500 sworn law enforcement officers on the cutting edge of law enforcement in Central Florida, as well as nationwide. As a county with over 1.2 million residents, and several million tourists every year, one of the most pressing problems dealt with daily is the issue of domestic violence.

According to the National Coalition Against Domestic Violence, there are approximately 16,800 homicides related to domestic violence annually. In 2013, approximately 18 percent of the homicides committed within the jurisdiction of the Orange County Sheriff's Office were domestic related. In relation, the Orange County Sheriff's Office responded to 6123 domestic violence related calls in 2013. A priority of the Orange County Sheriff's Office is to reduce the numbers of domestic violence incidents and domestic violence victims within Orange County, Florida.

In order to reduce the incidents of domestic violence, the Orange County Sheriff's Office aggressively pursues prosecution of domestic violence offenders. However, in many of these cases, the domestic violence victims do not desire to cooperate or testify against the offender, often due to personal reasons such as, fear of the offender, or fear of losing monetary support the offender provides to the family. Without the willing cooperation of the domestic violence victim, the prosecutorial team must often attempt to construct a successful criminal case utilizing evidence collected at the scene of the incident by the first responding law enforcement officers. Of primary importance to the successful prosecution of the offender, and hence, to the reduction

of domestic violence incidents, is photographic evidence of the victim's injuries and other evidence at the scene of the incident.

Prior to receiving the Byrne grant in 2014, the Orange County Sheriff's Office was only able to provide digital cameras to Uniform Patrol Division supervisors. This required deputies to call for a supervisor to respond to the scene of a domestic related crime to facilitate photographs for the investigation. However, due to the high volume of emergency calls for service, the Orange County Sheriff's Office responds to on a daily basis, supervisors were often handling pressing issues in other locations and a necessary delay in a supervisors' response was common. Not only did this prolong the time frame of the investigation, causing additional personnel hours to be expended, but it also provided additional time for the victim to rethink the involvement of law enforcement and leave the scene or make themselves unavailable to law enforcement. In many cases, the prolonged time frame for a first responding deputy to access a camera resulted in a failure to acquire photographs during the investigation.

Previously awarded Byrne Grant funds allowed the Orange County Sheriff's Office to supply cameras to many deputies responsible for investigating domestic violence incidences. The additional cameras reduced the time required for deputies to investigate and collect evidence in domestic violence cases.

This Byrne Grant award will directly affect domestic violence victims by providing the funding to complete the domestic violence cameras project; with the capability of purchasing and issuing the remaining first responding deputies within the Uniform Patrol Division with cameras.

The purchase of approximately 205 cameras will complete the project. In addition a case and a memory card will be purchased for each camera.

#### **H. Stop Rubbernecking Barrier System**

##### **Orange County Sheriff's Office**

*(Program Area: Law enforcement programs)*

The Orange County Sheriff's Office is the lead first responder and investigative agency for any criminal matters occurring within the unincorporated jurisdictional boundaries of Orange County. As a result of this responsibility, from January through December 2014 the Orange County Sheriff's Office Crime Scene Investigations Unit processed more than 1704 crime scenes. The barrier systems are immediately accessible erectable modular units which can be utilized by public safety and security services to quickly block and barricade accident scenes, crime scenes, restricted areas and hazardous areas from public view. Further, the barricade systems assist in maintaining the integrity of the crime or accident scene and assist in ensuring the privacy and dignity of any potential victim are recognized and protected.

The recognition and protection of any crime scene and the potential victim's privacy and dignity are of paramount importance. In today's technology driven society, the immediate access of any bystander or onlooker to a handheld phone and camera system has become standard. Unfortunately, images which are captivating to many become circulated both through mass media and social media venues. The quicker the deployment of a barrier system to protect the crime scene and ensure the dignity and privacy of any potential victim, the better the investigative result and the stronger the relationship between the law enforcement agency and the community, as it highlights both the responsiveness of the agency, and care and concern for the victim's privacy, as well as their family.

While the Crime Scene Investigations Unit is quick to respond when called upon, with their own barrier system, there is a natural and understandable delay in their arrival at any crime scene and thus in assembling a barrier for protective purposes. For each of these situations, the Uniform Patrol Division is the first responder to any critical incident or scene. Uniform Patrol Division personnel are often left with few options to ensure, not only protection of the crime scene, or severe/fatal vehicular crashes but also ensure the dignity and privacy of any potential victim is recognized and preserved. Deputies will often use vehicles, buses or other natural barriers to try to enhance these protections. To prevent this delay and achieve the goals of crime scene and victim dignity and privacy protection, the Uniform Patrol Division is requesting funding from the JAG Grant for the 2015/2016 fiscal year for the purchase of compatible barrier systems to be issued to and deployed from each sector. This will allow more immediate protective measures to be implemented and enhance overall services to victims, their family, and the community overall.

The funding from the JAG Grant will provide the monies to allow for the purchase of five double barrier systems to be issued and deployed from each of the five Uniform Patrol Division Sectors. Each system provides for 30 feet in length of walled barrier coverage, six feet high which can be assembled in minutes by first responders. Additionally, each of the five systems issued for deployment at the sector level are completely interchangeable with the previously purchased systems from the Crime Scene Unit. This will allow for multiple systems to be used in conjunction with one another for larger more complex crime scenes.

## **I. Aviation Angle of Attack Indicator**

### **Orange County Sheriff's Office**

*(Program Area: Law enforcement programs)*

The Aviation Section is tasked with providing aerial support to all components of the Orange County Sheriff's Office, as well as to other municipal police agencies within Orange County. Primary duties consist of air support of ground units searching for criminal suspects, responding to in-progress calls such as burglaries and armed robberies, vehicle pursuits, and search and rescue missions for lost boaters, hikers, and lost medical patients.

The Aviation Section consists of 9 full-time pilots, 6 full-time Tactical Flight Officers, and 4 dedicated maintenance personnel. Additionally, Aviation is supported by a group of part-time TFO's that allows the unit to perform as a 24-hour a day operation.

Aviation assets include 3 Bell OH-58 and 2 Bell 407 helicopters. Each helicopter is equipped with a high-resolution daylight camera, as well as a thermal imager commonly referred to as a FLIR system. Each helicopter is also equipped with a computerized "moving map" system to enhance aircrew situational awareness, and to improve coordination with ground units.

Additionally, all of the helicopters are equipped with a video recording system, as well as a microwave downlink transmitter. This allows ground commanders to see exactly what the helicopter camera is seeing, in real-time.

In addition to the helicopter fleet, the Aviation Section uses a Cessna 206 airplane for aerial surveillance and proactive patrol. The airplane is equipped with the same systems as the helicopters, and can operate for longer duration missions, with greater standoff, at a lower cost per hour. Typical mission profiles for the airplane are long-duration, circling

flights, flown at relatively low altitudes and slow airspeeds, to maximize the potential for observing criminal activity and suspects.

The typical police airplane mission profile puts the crew at risk for a low-altitude stall/spin accident. Stalling and entering a spin at low altitude is the leading cause of fatal light airplane crashes in the United States, and have caused numerous fatal law-enforcement airplane crashes. Airplane stalls occur when the wing exceeds a critical angle of attack, and a spin occurs when one wing stalls more deeply than the other. Light airplanes encounter conditions conducive to stalls and spins when they are flown at high weights and low airspeeds - the exact scenario presented when flying police surveillance missions.

The Aviation Section wishes to mitigate the risk of stall/spin accidents through the use of enhanced technology and additional training. The Aviation Section wishes to install an *Angle of Attack (AOA) Indicator* on the Sheriff's Office airplane. An AOA indicator allows the pilot to know when the critical stall point is approaching, instead of using another indication such as indicated airspeed, which is dependent on aircraft weight and other factors.

Funding for the training on the use of the AOA will be provided by the Orange County Sheriff's Office.

**Budget Detail Worksheet - Attachment #2**

Note: See Second Tab in Excel Spreadsheet to View and Print Budget Narrative...

**Purpose:** The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

**A. Personnel -** List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

-Supervisor-Overtime	1	\$ 31.41	x	408	\$ 12,814
<b>Total \$</b>					<b>45,617</b>

**B. Fringe Benefits -** Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Workman's Compensation, and Unemployment Compensation.

**D. Equipment -** List non-expendable items that are to be purchased. Non-expendable equipment is tangible property having a useful life of more than two years and an acquisition cost of \$5,000 or more per unit. (Organization's own capitalization policy may be used for items costing less than \$5,000). Expendable items should be included either in the "supplies" category or in the "Other" category. Applicants should analyze the cost benefits of purchasing vs. leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "Contractual" category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

**Edward Byrne Memorial Justice Assistance (JAG) Program/FY 2015 Local Solicitation**

**Budget Narrative: (Attachment #2, Cont'd.)**

**A. Personnel Costs - OVERTIME**

**OC Sheriff's Office SNAP:**

Funds will provide overtime for 3 deputies and 1 supervisor to work the Sector 2 Noise Alcohol Patrol detail (SNAP). This detail will be in and around the UCF campus, to help reduce the noise, alcohol abuse and underage drinking.

**Total            \$ 46,411**

**B. Fringe Benefits -OVERTIME BENEFITS**

**OC Sheriff's Office SNAP:**

Benefits associated with the SNAP overtime detail

**Total            \$ 12,749**

**C. Travel**

**OC Neighborhood Through Environmental Design (CPTED):**

Funds will cover travel expenses for the Senior and Chief Planner's to attend and complete the Basic Crime Prevention Through Environmental Design, and Advanced Crime Prevention Through Environmental Design to receive certification in the field of Crime Prevention Through Environmental Design.

**Total            \$ 4,276**

**D. Equipment**

**OC Corrections Breathing Apparatus and Tasers:**

Breathing apparatus' will be purchased to provide officers breathable air in immediately dangerous to live or health situations. Also, electronic control devices (tasers) will be purchased to help control volatile situations, and reduce injury to staff and inmates.

**OC Sheriff's Office - Law Enforcement Traffic Equipment:**

Funding will provide the means of replacing radars/antennas, ticket writers, magstrip readers, docking stations, and printers. These items will provide the Traffic Section to continue the high level of traffic enforcement and the mission of providing rapid and safe transit in Orange County.

**OC Sheriff's Office - Domestic Violence Reduction Initiative:**

In a continued effort to reduce domestic violence, this is phase 2; we will purchase 205 digital cameras to be issued to the remainder of the Uniform Patrol deputies. This will allow them to immediately capture the results of a domestic violence incident, before the scene/injuries can be compromised, or the victim change their mind or their story.

**OC Sheriff's Office - Aviation Equipment**

An Angle of Attack Indicator will be purchased and installed on the agency's fixed wing aircraft. This indicator tells the pilot when there is a chance of a stall/spin situation arising.

**OC Sheriff's Office - Stop Rubbernecking Barrier System**

This barrier system will provide protection to any kind of crime scenes, accidents, restricted or hazardous areas. The recognition and protection of any crime scene and the potential victim's privacy and dignity are always paramount.
