

Interoffice Memorandum

October 7, 2015

APPROVED
BY ORANGE COUNTY BOARD
OF COUNTY COMMISSIONERS
NOV 17 2015 CS/BS

TO: Mayor Teresa Jacobs
and Board of County Commissioners

FROM: Mark V. Massaro, P. E., Director, Public Works Department 

CONTACT PERSON: **Ruby Dempsey Rozier, Manager**
Traffic Engineering Division 

PHONE NUMBER: (407) 836-7890

SUBJ: **Establishment of Street Name Signs for Alleys with Appropriate Traffic Control Attached**

Carol Knox Hossfield of the Orange County Zoning Division has requested that Orange County Traffic Engineering install street name signs with "Stop" or "Yield" traffic control at the intersection of county roads with named alleyways.

In the past, the Traffic Engineering Division did not install street name signs for alleys since many were unnamed and shown as private property on the plat. In order to better identify the alleys during fire rescue response, staff recommends the installation of street name signs with appropriate traffic control devices attached for alleys. Since alleys are private property, the street name sign will indicate that the alley is unmaintained.

Staff recommends that the Board approve the establishment of street name signs for alleys with appropriate traffic control attached and with indication that the alley is unmaintained.

Action Requested: Approval to install street name signs for alleys with appropriate traffic control and with indication that the alley is unmaintained. All Districts.
