SUBJ: **Construction of Speed Humps on Dangler Road and Spyglass Hill Road**

At the request of the residents on Dangler Road and Spyglass Hill Road, a speed hump survey was mailed to the property owners. This was to determine if the property owners supported the installation of speed humps on Dangler Road and Spyglass Hill Road. If two-thirds of the returned ballots from the property owners were in favor of the speed humps, the County would install the speed humps.

The result of the survey was that 69% of the returned ballots from property owners supported the installation of speed humps. The current plan is to install two speed humps on Dangler Road and one speed hump on Spyglass Hill Road. The project is being funded by Commission District 1 and Public Works.

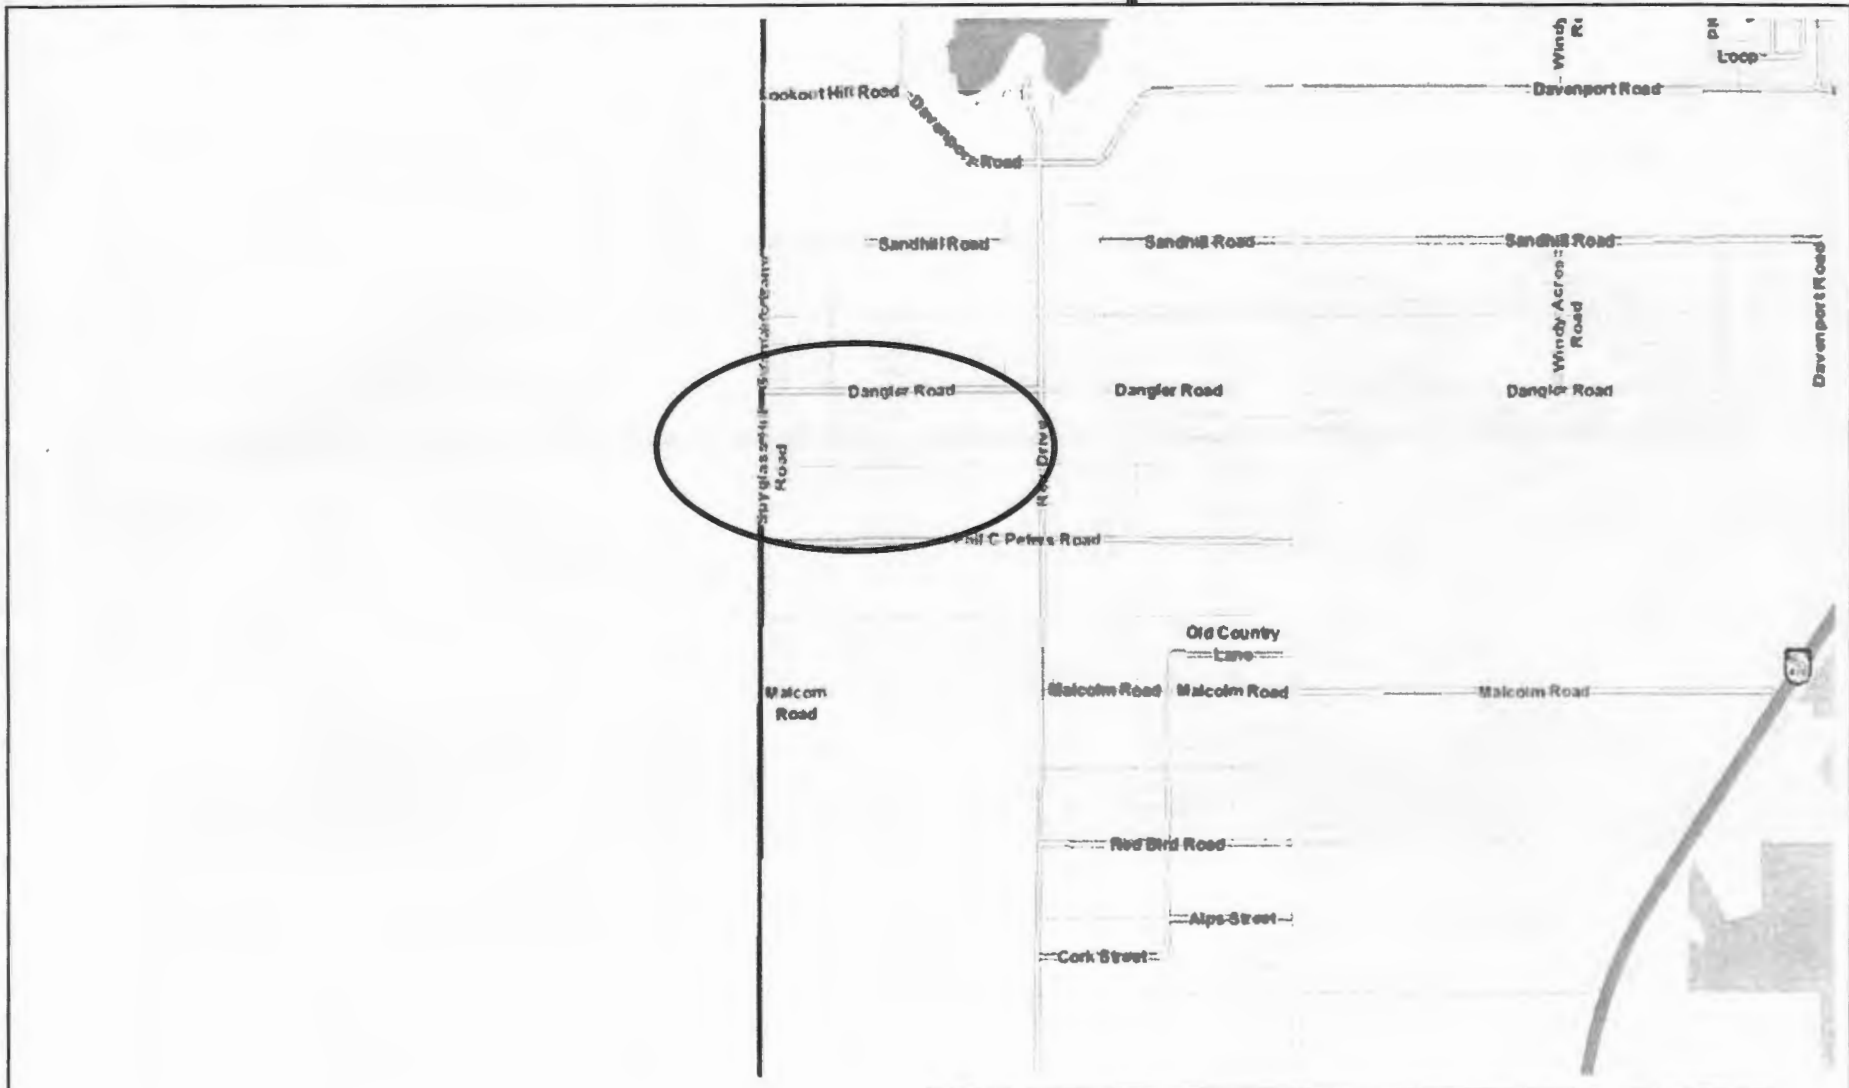

Action Requested: Approval to construct speed humps on Dangler Road and Spyglass Hill Road. District 1.
