and Board of County Commissioners

FROM: Mark V. Massaro, P.E., Director, Public Works Department

CONTACT PERSON: Ruby Dempsey Rozier, Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7890

SUBJ: **Installation of Traffic Calming Islands on Bass Lake Boulevard and East Jersey Avenue**

The Traffic Engineering Division and the District 3 Commissioner's office have been working with the Green Fields, Rests Haven and Dover Heights neighborhoods to develop a plan to calm traffic on Bass Lake Boulevard and East Jersey Avenue. The current plan is to install 2 traffic calming islands. One traffic calming island will be installed on Bass Lake Boulevard and one traffic calming island will be installed on E. Jersey Avenue between Conway Gardens Road and S. Crystal Lake Drive.

The purpose of the traffic calming islands are to narrow the street to slow vehicles and the added landscaping in the island also adds to the traffic calming effect. The project will be funded by Commission District 3 and Public Works.

Action Requested: Approval to install traffic calming islands on Bass Lake Boulevard and East Jersey Avenue. District 3.
