THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

Section 1. Creation of MSBU.

There is hereby established and created the **Chicora Crossing Boulevard - Avalon Park Village 3 11/2016 MSBU**, subject to final adjustment and approval as provided for in Section 197.3632, Florida

RECORDING DEPARTMENT: RETURN TO FINANCE AND ACCOUNTING SPECIAL ASSESSMENTS

Statutes, the boundaries of which appear on the recorded plat of **Avalon Park Village 3** subdivision, Plat Book **47**, Pages **96 through 104**, Lots as shown in "**Exhibit A**" of this resolution, Section **5**, Township **23**, Range **32**, Public Records of Orange County, Florida. The purpose of this MSBU is to provide for collection and disbursement by Orange County of such funds as may be necessary to reimburse Orange County for expenditures made for installing speed humps in a portion of Avalon Park Village 3 subdivision. It is understood and agreed that this MSBU is created solely for the purpose of payment to cover the costs associated with installing the speed humps in a portion of Avalon Park Village 3 subdivision.

## Section 2. The Project.

- (a) Nature of Improvement. The following project to be paid for (either partially or in full) from special assessment proceeds is installing **3 (three) speed humps** in a portion of Avalon Park Village 3 subdivision in accordance with the Resolution approved by the Orange County Board of County Commissioners on April 15, 1994.
- (b) Location of Project. These improvements in Avalon Park Village 3 subdivision shall be made on Chicora Crossing Boulevard, between Tanja King Boulevard and Peacock Springs Trail. These locations have been determined by the Orange County Public Works Traffic Engineering Department.
- (c) Estimated Capital Cost. The estimated capital cost of installing the 3 (three) speed humps is **\$10,500.00 with District 4 Funding paying \$3,500.00, Orange County paying \$3,500.00 and the property owners shown in Exhibit "A" of this resolution paying \$3500.00.**

## Section 3. Assessments.

- (a) Portion of Capital Costs Paid by Assessments. Of the total estimated capital cost for installing speed humps in Section 2 (c), **\$ \$3,500.00** shall be paid from the proceeds of the special assessments. The proceeds of the special assessments shall reimburse the County for cost paid out of the **Orange County Public Works Traffic Calming Program Funding.**
- (b) Manner of Assessment; Declaration of Benefit. All benefited property shall be assessed a one-time special assessment of **\$135.00** per lot in a portion of Avalon Park Village 3 subdivision. This one-time special assessment includes the capital cost of installation and administrative fees. The Board hereby declares that such method of special assessment is proportionate to and not in excess of the special benefits to be derived by each benefited property from installing 3 (three) speed humps.
- (c) One Time Assessment. Assessments will be a one-time special assessment, which includes administration fees. The non-ad valorem special assessment is levied for the first and only time as of **November 1, 2016.**
- (d) Collection of Annual Installments. It is the intent of Orange County that the Uniform Method for the levy, collection, and enforcement of non-ad valorem special assessments, as Sections 197.3632 and 197.3635, Florida Statutes, grants, shall be used for collecting the non-ad valorem special assessments. One and one half dollars (\$1.50) for each lot or parcel of land shall be added by the Board to cover the costs of administering the MSBU and the total amount so determined shall be specifically assessed against the real property of the freeholders in the MSBU as provided hereafter. An additional amount will be added to provide for reimbursement of necessary

administrative costs incurred by the Property Appraiser and Tax Collector for the collection of non-ad valorem special assessments subject to the provisions of Section 197.3632, Florida Statutes.

#### Section 4. Assessed Lands; Individual Assessments.

The specific properties benefited by installing these speed humps and the special assessment imposed on each of them are the boundaries of which appear on the recorded plat of Avalon Park Village 3 subdivision, Plat Book 47, Pages 96 through 104, Lots as shown in "Exhibit A" of this resolution, Section 5, Township 23, Range 32, Public Records of Orange County, Florida. In the event of division or splitting of any of the tax parcels or lots assessed herein, any such newly subdivided or split parcels shall be included in the MSBU non-ad valorem special assessments.

After adoption of the non-ad valorem special assessment roll by the Board, the Property Appraiser shall extend the non-ad valorem special assessment upon the non-ad valorem special assessment roll, which roll shall be fully completed prior to the time said Board sits as a Board of Tax Adjustment, during which time such non-ad valorem special assessment may be protested, reviewed, equalized and adjusted to conform to the provisions of Sections 197.3632 and 197.3635, Florida Statutes. After adjournment as the Board of Tax Adjustment, said Board of County Commissioners shall certify the non-ad valorem special assessment roll in the same manner and at the same time as the County Tax Roll is certified and delivered to the Tax Collector, and the non-ad valorem special assessment shall be collected in the same manner and shall have the same priority rights, discounts for early payment, prepayment by installment method, deferred payment, penalty for delinquent payment, and issuance and sale of tax certificates and tax deeds for non-payment, and be subject to the same delinquent interest and penalties, and be treated in all respects the same as County taxes. Said non-ad valorem special assessment, when collected by the Tax Collector shall be remitted to said Board, who shall deposit the same in such depository as shall be designated by the Board. From the proceeds of said non-ad valorem special assessments, the Board shall pay the costs for having a non-ad valorem special assessment roll made and extended. The Tax Collector's office shall receive all fees and costs of sale as provided by law for the collection of ad valorem taxes, advertising, sale of lands, and issuance and sale of certificates. The Uniform Method for the levy, collection, and enforcement of non-ad valorem special assessments, Section 197.3632, Florida Statutes, shall be used.

#### Section 5. Termination of MSBU.

Upon final payment of this one time only non-ad valorem special assessment, this MSBU shall automatically terminate.

Each property owner affected by this resolution has been provided first class mail notice of the potential for loss of his or her title when the Uniform Method of collection is used and that all affected property owners have a right to appear at the hearing and to file written objections with the Board. Each property owner affected by this resolution has been provided first class mail notice of the time and place of the public hearing at which this resolution was adopted. However, under Section 119.07, Florida Statutes, certain records may be noted as exempt and confidential. This public record exemption may cause certain property owners not to receive the above first class mail notice, however, a public hearing notice conforming to the provisions of Section 197.3632, Florida Statutes, has been published in a newspaper of general circulation within Orange County.

The Board of County Commissioners shall be the governing Board of said Municipal Service Benefit Unit.
