TO: Mayor Teresa Jacobs  
and Board of County Commissioners

FROM: Mark V. Massaro, P.E., Director, Public Works Department

CONTACT PERSON: Ruby Dempsey Rozier, Manager  
Traffic Engineering Division

PHONE NUMBER: (407) 836-7890

SUBJ: Construction of Speed Humps on Westland Drive and Spring Land Drive

At the request of the residents on Westland Drive and Spring Land Drive, a speed hump survey was mailed to the property owners. This was to determine if the property owners supported the installation of speed humps on Westland Drive and Spring Land Drive. If two-thirds of the returned ballots from the property owners were in favor of the speed humps, the County would install the speed humps.

The result of the survey was that 80% of the returned ballots from the property owners supported the installation of speed humps. The current plan is to install four speed humps on Westland Drive and two speed humps on Spring Land Drive. The project is being funded by the Hiawasseelandings Homeowner's Association and Public Works.

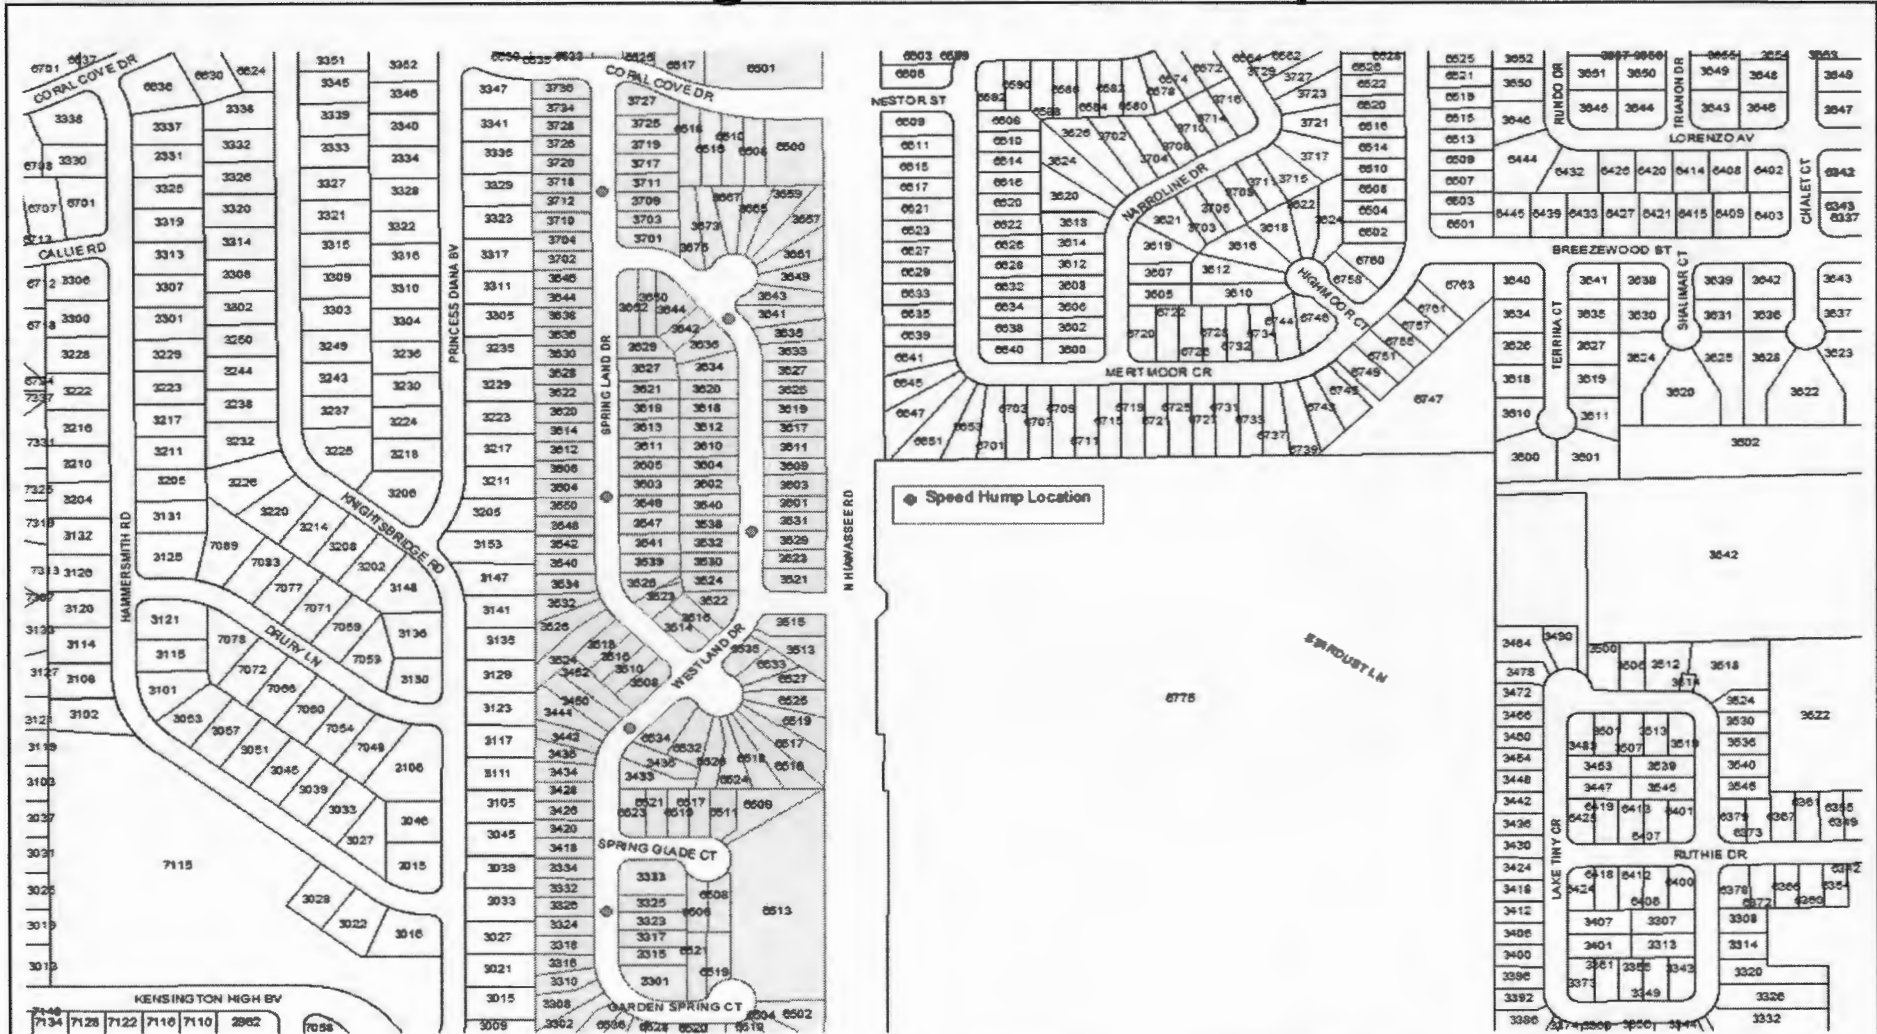

**Action Requested: Approval to construct speed humps on Westland Drive and Spring Land Drive. District 6.**
