

To: Katie Smith, Deputy Clerk

From: Commissioner Maribel Gomez Cordero, District 4 

Date: August 12, 2019

Subject: CRC Additional Distircts Proposal

Please allow this memorandum, to express my support for the expansion of the current six county district to the recommended eight districts.

It is clear that the current population and projected growth warrants the Commission's review of the eight district expansion.

Currently, the district's population exceeds the 10% deviation and will continue to increase.

Thank you for your time and attention, regarding this matter.
